🇺🇸 **OPEN LETTER TO PRESIDENT DONALD J. TRUMP AND ATTORNEY PAM BONDI**

URGENT: Judicial Removal Request – Second Circuit Judge Alison Nathan, Attached 132 Page Criminal Report

From: Miriam Snyder, Educator, Evangelist, Human Rights Advocate
Whistleblower | Targeted Individual | Constitutional Advocate

Date: April 18, 2025

RE: Judge Alison Nathan's Judicial Weaponization, Targeting of Whistleblowers, and Judicial Conspiracy Against the Rights of the American People

Dear President Trump and the U.S. Attorney Bondi:

I am writing to you not only as a citizen, but as a survivor of systemic financial sabotage, judicial abuse, and spiritual warfare being carried out through the federal bench. What I have uncovered and endured leads directly to Judge Alison Nathan of the Second Circuit Court of Appeals, whose record demands immediate review, public exposure, and removal.

This judge has acted as a politically installed ideological agent, advancing a covert war against constitutional governance, while targeting you, your legal team, and innocent whistleblowers like myself.

- **She has refused recusal despite documented conflict of interest tied to her spouse, NYU professor Margaret Satterthwaite, a co-author of radical doctrines on "weaponizing judicial systems." Legal Scholar Satterthwaite is using her academic position to design unsupervised programs regarding human trafficking of Haitian children, obstruction of governance and the rule of law in the USA and Haiti, and vicarious traumatization of human rights workers from all over the world.**

- **Based on the attached evidence, It is my contention that Judge Nathan and her wife are part of a religious extremism subversive group with intent to overthrow the government. The Haitian children are their new religious extremism steady flow for their needed innocent blood rituals for wealth and power. I ask for private investigators to monitor these fronts for human trafficking children, particularly because I have exposed this satanic cult's 80 year old Rochester City School District Teacher union president front, Adam Urbanski's, over 40 years RCSD student and staff human trafficking program. The Haitaian human trafficking program is their backup steady flow of innocent blood for their satanic rituals for wealth and money.**

- **Judge Nathan has criminally used her judicial position for criminal work in the nullification of state-level protections, including lawful orders by Chief Judge Ann T. Pfau, interfering in my case to protect financial fraud and conceal court-forged debt instruments. Please see exhibits 10-11.**

- **Her actions mirror a multi-tiered judicial conspiracy involving fraud, obstruction of justice, judicial criminal usurpations and targeting that now spans your legal proceedings, mine, and must be dismantled.**

Judge Nathan has criminally undermined:

- **Article III of the Constitution**

- **Due process rights under 42 U.S.C. § 1983**

- **Multiple federal whistleblower protections**

- **And has behaved as a de facto foreign agent, operating against the very nation she was sworn to serve. 22 USC 611 "FOREIGN AGENTS" OF "FOREIGN PRINCIPALS," Judge Nathan's actions support claims of acts of a Foreign Agent as stated in the Newspaper article at: http://www.washingtonblade.com/2011/10/13/senate-confirms-lesbian-to-federal-judiciary/#sthash.Xuo4LcNz.dpuf**

🔥 **This Is a Call to Action**

This is no longer about one judge or one case. It is about saving the American judiciary from ideological hijacking and protecting citizens, especially those who expose fraud, from judicial terrorism.

I respectfully ask you to:

- **Investigate and call for the removal of Judge Alison Nathan**

- **Expose the judicial installations meant to sabotage your legal standing**

- **Use your platform to protect whistleblowers and defend the Constitution from within the courts**

I am submitting this with additional documentation, sworn complaints, and a formal record of abuse and fraud. I believe Judge Nathan was installed for sabotage, and she has made that mission devastatingly clear.

I am prepared to provide your office with sworn affidavits, original court filings, verified correspondence, and supporting documentary exhibits as needed. Please confirm receipt of this request and direct your office to preserve and review the complete record of my filings, which I am emailing under seal as a 172-page investigative report.

Due to induced financial hardship directly caused by the attached documented repeated theft of money and income lynchings, I am mailing the first 25 pages of the criminal report at this time. However, I have included multiple secure links to ensure that the full 172 page document is available to your office and other relevant authorities without obstruction or delay.

This submission is made under penalty of perjury and pursuant to constitutional authority rooted in equal access to the courts as a private citizen seeking lawful remedy and protection from coordinated and deadly crimes. I request immediate review and action.
With courage, truth, and hope for our justice system, thank you for your time.

Respectfully,

📄 LETTER TO FBI DIRECTOR KASH PATEL

Date: April 18, 2025

To:
Director Kash Patel
Federal Bureau of Investigation
935 Pennsylvania Avenue NW
Washington, D.C. 20535-0001

Subject: Urgent Request for Federal Investigation into Judicial Conspiracy, Fraud Upon the Court, and Financial Crimes by Judge Alison J. Nathan and Affiliated Entities

Dear FBI Director Patel:

I respectfully submit this formal request for urgent federal investigation into coordinated judicial corruption and civil rights violations currently being carried out by Judge Alison J. Nathan, in collaboration with her spouse and other actors, constituting a criminal conspiracy under 18 U.S.C. §§ 241, 242, 371, and 1346, and in direct contravention of legal precedent and rulings issued by Former Chief Administrative Judge Ann Pfau. Please see Exhibits 10–11, and exhibits 17-20 attached.

🔎 SUMMARY OF CRIMES AND URGENT MATTERS:

1. JUDICIAL CONSPIRACY AGAINST RIGHTS (18 U.S.C. §§ 241, 242):
In this matter, Judge Alison J. Nathan has participated in aiding and abetting ECMC fraud via fraudulent rulings, suppression of evidence, and unlawful interference with my federal lawsuit. This has resulted in severe deprivation of rights under color of law, procedural sabotage, and violations of constitutional protections under color of law.

2. JUDICIAL FRAUD, OBSTRUCTION, AND INTERFERENCE:
In violation of lawful judicial dismissals by Judge Ann Pfau, Alison Nathan has resurrected and manipulated previously closed matters, facilitated by her spouse and potentially other federal actors, as part of a broader network of judicial hijacking and unconstitutional interference. Please see exhibits 17-20 attached.

3. CONSPIRACY TO COMMIT FINANCIAL FRAUD AND COVER-UP (18 U.S.C. §§ 1343, 1346):
ECMC and Nelnet, both private loan servicing corporations with federal ties, are refusing to issue lawfully required refunds after my Total and Permanent Disability (TPD) discharge. Their refusal violates federal discharge policy and suggests additional collusion with corrupt judicial actors to suppress payment, fabricate false debt obligations, and obstruct lawful process.

4. UNLAWFUL GARNISHMENT IN DIRECT VIOLATION OF TPD LAW AND FEDERAL REFUND STATUTES:
I was induced into a Total and Permanent Disability (TPD) determination in 2012 as a direct result of years of income lynching, legal abuse, and court documented attempted murder by known actor Adam Urbanski. The induced TPD 2012 status was confirmed by both a licensed physician and the Social Security Administration.

Despite these federal protections, ECMC continued to unlawfully garnish my funds for over a decade, in direct violation of 34 C.F.R. § 685.213 and applicable Department of Education discharge policies. These garnishments were illegal and are refundable under federal law, and their continuation after 2012 constitutes theft, obstruction, and civil rights violations. Judge Alison Nathan ignored the above noted law, criminally amended the FRCP to harm Petitioner's meritorious lawsuit status, disregarded constitutional protections, aided and abetted ECMC fraud, and acted as a criminal foreign agent seeking to take over and weaponize the judiciary.

📌 ACTION REQUESTED:

- **Immediate criminal investigation into Judge Alison J. Nathan's judicial record, affiliations, judicial weaponization trainings, reinterpreting Constitutions to hijack judiciaries mentoring from the second circuit court of appeals, and foreign agent actions and articles, that violate lawful precedent**
- **Criminal investigation into ECMC and Nelnet for refusal to comply with federal refund laws, fraud upon the court, and conspiracy to defraud the United States**
- **Review of all legal filings, affidavits, exhibits, and supporting documents submitted under penalty of perjury**
- **Coordination with the U.S. Attorney's Office for the Southern District of New York, as jurisdiction applies**

I am prepared to provide your office with sworn affidavits, original court filings, verified correspondence, and supporting documentary exhibits as needed. Please confirm receipt of this request and direct your office to preserve and review the complete record of my filings, which I am emailing under seal as a 172-page investigative report.

THIS PAGE REFLECTS A COERCIVE USE OF COURT PROCESS TO BULLY, INTIMIDATE, AND SUPPRESS A SELF-REPRESENTED

WHISTLEBLOWER AND WITNESS, USING THINLY VEILED LEGAL THREATS TO ENFORCE COMPLIANCE, EVEN WHERE NO MERIT-BASED WRONGDOING EXISTS. Subject: Final Demand for Refund; Notice of Refund Entitlement; Notice of Intent to Sue – TPD Refund Violation, Unlawful ECMC Garnishments Since 2012 Without Judgment, Willful Disregard of SSA and Physician Disability Determination Dates, Criminal Disregard of NY Chief Administrative Judge Pfau's Order Dismissing ECMC's Fraudulent Court Filings (Index No. 2009-8236); Obstruction of Justice and Conspiracy Against Rights to Facilitate Judicial Fraud by Alison Nathan

Dear ECMC and Nelnet Officials:

Pursuant to 34 C.F.R. § 685.213(c) and (d)(2), I hereby submit formal demand for full refund of all funds illegally withheld and garnished following my 2012 Total and Permanent Disability (TPD) determination by both my physician and the Social Security Administration (SSA).

Despite clear documentation confirming my permanent disability status since 2012, ECMC has refused to refund funds owed under federal law. The continued garnishments from 2012 to 2023, with no judgment and no affidavit ANYWHERE, coupled with criminally disregarded documented TPD determination dates of 2012, are ruthless direct violations of federal disability discharge protections. Mr. Fisher and ECMC Group's ongoing refusal to return these funds constitutes criminal behavior and corporate negligence, including:

- **Illegal withholding of federally protected TPD refunds (34 C.F.R. § 685.213(d)(2))**
- **Financial coercion under the Human Trafficking Protection Act (22 U.S.C. § 7102)**
- **Conspiracy to commit financial fraud (18 U.S.C. §§ 1961–1968, RICO)**
- **Abuse of process, fraudulent misrepresentation, and obstruction of law**
- **Corporate failure to supervise and prevent unlawful conduct**

Demand For Relief:

I hereby demand the following within seven (7) business days of your receipt of this notice:

1. **A debit card notice or written confirmation of when my refund will be delivered. Due to ongoing mail tampering, the refund must be issued via Federal Express or a secure method. I require documentation of tracking and delivery confirmation.**

2. **Immediate full refund of all funds illegally garnished and withheld since my Total and Permanent Disability (TPD) determination in 2012, as required by 34 C.F.R. § 685.213.**

3. **Written acknowledgment that your actions violated federal disability discharge law, and confirmation that all illegal collection activity has ceased.**

4. **Compensatory damages for the financial hardship, emotional distress, and obstruction of rights caused by the dual misconduct and failure to comply with federal law.**

⚠️ **Failure to Comply Will Result In:**

✔ **Immediate federal lawsuit seeking:**

- **Triple damages under RICO ($120,,000,000)**
- **Full compensatory and punitive damages**
- **A permanent injunction barring further collection activity**
- **Enforcement of Chief Administrative Judge Pfau's official order dismissing all 2012 ECMC-related fraudulent filings submitted by Hyatt, Hyatt & Landau, including falsified court documents and sewer service in the matter of Index No. 2009-8236.**

✔ **Formal additional complaints to:**

- **The Consumer Financial Protection Bureau (CFPB)**
- **The U.S. Department of Education**
- **The U.S. Department of Justice (DOJ)**
- **And Congressional Oversight Committees**

✔ **Additional personal legal action against all named executives for fraud, obstruction of justice, negligence, abuse of process, and legal perversions in violation of 22 U.S.C. § 7102, part of the Trafficking Victims Protection Act (TVPA).**

This is your final notice before full legal and public exposure begins. I urge you to respect the rule of law today. Be an education role model for the many students you work with, for justice, for equal rights, and for treating people, the way you want to be treated. I look forward to receiving the rightful recompense entitled under the law, sooner than later. Please contact me at the address below immediately. Thank you.

RE: Notice of Intent to Sue: Criminal Record Submission and Judicial Liability Notification

Dear Alison J. Nathan:

This letter is submitted as a formal Notice of Intent to Sue, and as a documented criminal record of your participation in the ideological, procedural, and operational conspiracy to weaponize the judiciary, subvert the Constitution, and impose extrajudicial control through fraud, denial of due process, and public corruption.

You have actively participated in and mentored the criminal transformation of the U.S. judiciary by:

- **Promoting reinterpretation of constitutional protections under the disguise of "judicial independence,"**
- **Facilitating legal doctrines that bypass due process and expand unelected judicial power,**
- **Training or aligning with operatives who reinterpret and amend constitutional boundaries without legislative authority,**
- **Encouraging frameworks that shield unlawful actors within federal institutions from remedy, oversight, or prosecution.**

These acts, taken individually and collectively, constitute a conspiracy to overthrow lawful judicial governance, to replace it with a foreign-aligned, ideologically engineered, and unconstitutional regime masked as reform. These frameworks are not neutral, they are criminal. Please see the attached exhibits 17-20.

⚖️ Your Criminal Incorporation of That Agenda into My Case

This ideology, which you promote, was directly weaponized in my case, when you:

- **Aided and abetted fraud and financial crimes committed by ECMC, despite prior dismissal and vacatur by Chief Administrative Judge Ann Pfau,**
- **Knowingly sustained an unlawful garnishment in violation of federal disability discharge protections under 34 C.F.R. § 685.213,**
- **Fabricated a lawsuit I did not file, using falsified court documents and a procedurally void double-sided order,**
- **Imposed an unwarranted sanction, while covertly denying me equal access to the court, constituting obstruction of justice and abuse of office.**

These actions were not protected judicial rulings, they were the criminal application of a coordinated scheme to deny me rights, sustain financial theft, and nullify lawful precedent through procedural sabotage.

🔥 You Are Placed on Criminal Notice For:

- **Participating in a national-level conspiracy to weaponize the judiciary against constitutional rights**
- **Aiding and abetting fraud, including financial crimes committed by ECMC and others**
- **Obstruction of justice, record falsification, and procedural fraud**
- **Malfeasance in office, deprivation of rights under color of law**
- **Criminal conspiracy and collusion under 18 U.S.C. §§ 241, 242, 371, and 1346**
- **Suspected conduct under the Foreign Agents Registration Act (FARA) and 18 U.S.C. § 951, given your apparent role in promoting foreign-aligned legal doctrines that subvert U.S. sovereignty**

📎 Record Submission and Preservation

This letter accompanies a criminal complaint package of 172 pages, submitted under seal and under penalty of perjury to the:

- **Federal Bureau of Investigation**
- **U.S. Department of Justice – Civil Rights and National Security Divisions**
- **Senate Judiciary Committee**
- **Office of President Donald J. Trump**

Due to repeated induced economic hardships, I am copying and mailing only the first 25 pages, and providing digital access to the full 172 page submission.

🕊️ **Settlement and Exhaustion of Remedies**

Due to the documented occultic assault and legal perversion crimes related to this matter, United States Postal Service mail is not available. My mailbox has been vandalized and remains unrepaired, as part of a broader campaign of retaliatory obstruction, sabotage, and suppression of legal redress.

1.1 Purpose

This report constitutes a formal Criminal Complaint and Notice of Intent to Sue against the following parties:

- **Jan Hines, Chief Executive Officer, *Educational Credit Management Corporation (ECMC)***
- **Jeffrey R. Noordhoek, Chief Executive Officer, *Nelnet, Inc.***
- **Judge Alison J. Nathan, *U.S. Court of Appeals for the Second Circuit***

This matter would not be pending today had Judge Alison Nathan not willfully aided and abetted ECMC's fraudulent garnishments since 2012, garnishments executed without judgment, without affidavit, and in direct violation of due process.

Acting under color of law through the United States District Court for the Southern District of New York, Judge Nathan:

- **Obstructed federally mandated disability discharge protections**
- **Unlawfully suppressed refund entitlements in violation of 34 C.F.R. § 685.213**
- **Enabled a multi-year financial fraud operation under the disguise of legal discretion**

Her repeated judicial interventions empowered ECMC's illegal garnishments and actively blocked all rightful remedies guaranteed under federal law.

We, advocates for Justice, assert that Judge Nathan's conduct constitutes judicial collusion, retaliatory sabotage, and a criminal conspiracy against rights under 18 U.S.C. § 241 and § 242. Her actions shielded ECMC from accountability, violated the Constitution, and perpetuated a decade-long abuse of power and legal perversion theft of money from a witness.

We seek to expose and stop systemic judicial collusion that has conspired with debt servicers like ECMC and Nelnet to violate disabled borrowers' rights, obstruct justice, and perpetuate unlawful financial harm.

4.0 Judicial Conspiracy by Judge Alison Nathan

4.1 Refusal to Recuse

📄 **Judge Alison Nathan: Judicial Misconduct, Abuse of Power, Constitutional Violations, and Criminal Conduct in Her Individual Capacity**

- **Refused to Recuse**

  Despite her professional and ideological entanglement with Boyden Gray (a party Petitioner long reported for criminal conduct, foreign influence, and unconstitutional operations), Judge Nathan refused to recuse herself from proceedings involving related or overlapping parties. Her failure to step aside represents a violation of 28 U.S.C. § 455, which requires disqualification in any proceeding in which a judge's impartiality might reasonably be questioned, particularly when there is a known conflict of interest or past association.

4.2 Nullification of Protective Orders

1. **Overturned lawful protections issued by NYS Chief Administrative Judge Ann T. Pfau in violation of the Supremacy Clause.**
2. **Nullified a Protective Order**
3. **Willfully overturned or obstructed a protective order previously issued by New York State Chief Administrative Judge Ann T. Pfau, which had served to shield the petitioner from fraudulent litigation and unlawful garnishments by ECMC and its agents. This act constitutes a violation of the Supremacy Clause (U.S. Const. art. VI) by improperly overriding a lawful state judicial decision with no jurisdictional basis.**

4.3 Procedural Sabotage

Obstructed justice by rejecting Petitioner filings, suppressing evidence, and enabling fraud (18 U.S.C. § 1505).

- **Engaged in Procedural Sabotage**
  Used her judicial authority to suppress evidence, reject filings, and shield known fraudulent ECMC conduct, thereby obstructing justice. This includes conduct in violation of 18 U.S.C. § 1505 (Obstruction of Proceedings) and Canon 2 and 3 of the Code of Conduct for United States Judges, which require maintaining integrity and allowing full and fair adjudication.

4.4 State-Sponsored Targeting

Enabled COINTELPRO-like targeting and financial terrorism against Petitioner, violating 42 U.S.C. § 1983 and 18 U.S.C. § 241–242.

- **Enabled State-Sponsored Targeting and Financial Abuse**
  Acted in furtherance of COINTELPRO-like unconstitutional targeting, aiding coordinated efforts to weaponize the judiciary against a civilian whistleblower and subjecting her to financial terrorism through unjustified collections, garnishments, and reputational sabotage. This behavior implicates 42 U.S.C. § 1983(deprivation of civil rights under color of law) and 18 U.S.C. § 241–242 (conspiracy and deprivation of rights).

4.5 Conduct in Personal Capacity

Nathan's actions exceed judicial immunity and fall under:

- **18 U.S.C. § 1962 – RICO**
- **22 U.S.C. § 611 – Foreign Agent Registration Act (FARA)**
- **Active collusion in reinterpretation of the Constitution to disable civilian protections**
- **Acts Committed in Individual Capacity – Beyond Judicial Immunity**
  Judge Nathan's actions rise beyond judicial discretion and fall under personal capacity liability, particularly in:

- **Repeated acts of treason by aiding known foreign-affiliated individuals and obstructing U.S. disability discharge laws;**
- **Participation in a pattern of corruption and collusion that implicates federal racketeering laws (18 U.S.C. § 1962, RICO);**
- **Acting as a de facto foreign agent by knowingly assisting parties or networks with known international criminal ties, in violation of the Foreign Agents Registration Act (22 U.S.C. § 611 et seq.).**

5.1 Weaponized Judiciary

Defined herein as the strategic use of courts to:

- **Suppress civil rights**
- **Financially target whistleblowers**
- **Obstruct lawful redress**
- **Advance ideological or spiritual control operations**

> **Judge Alison Nathan has actively participated in, and in some instances appeared to co-author, a broader pattern of judicial hijacking and weaponization of judges, deliberately misinterpreting constitutional protections to target civilians, suppress lawful claims, and facilitate covert, ideologically driven acts of treason disguised as judicial discretion and independence.**

5.2 Constitutional Warfare

This is not misconduct. This is deliberate inversion of law used to orchestrate extermination campaigns under color of legitimacy.

⚖️ Summary:

Judge Alison Nathan's conduct reflects a pattern of unconstitutional targeting, judicial abuse, obstruction of federal protections, and collusion with unlawful actors. Her refusal to recuse, sabotage of protective orders, and enabling of ECMC-related fraud represent systemic corruption that must be investigated both judicially and criminally.

6.0 Oversight and Restraint Demands

6.1 Criminal Statutes Triggered

- **18 U.S.C. § 2381 – Treason**
- **18 U.S.C. § 2384 – Seditious Conspiracy**

Pursuant to:

18 U.S.C. § 2381 — Treason

> **"Whoever, owing allegiance to the United States, levies war against them or adheres to their enemies, giving them aid and comfort within the United States or elsewhere, is guilty of treason."**

This statute applies to Judge Alison Nathan, government officials, or private actors who aid or enable systems and policies that sabotage constitutional protections and lawful governance of the United States.

---

18 U.S.C. § 2384 — Seditious Conspiracy

> **"If two or more persons... conspire to overthrow, put down, or destroy by force the Government of the United States... or oppose by force the authority thereof... they shall each be fined or imprisoned."**

This code is directly applicable to organized legal, judicial, academic, or financial groups that co-author doctrines, decisions, or enforcement mechanisms designed to undermine or dismantle constitutional governance, even if done under color of law. Please see exhibits 17-25.

Statement of Findings

Petitioner brings this matter under urgent demand for judicial oversight, constitutional review, and immediate criminal investigation, based on a clear and repeated pattern of judicial weaponization led by Judge Alison Nathan, in collusion with ECMC, Nelnet, and their affiliated education loan entities and legal contractors.

Judicial weaponization is defined herein as the strategic misuse of legal authority and court process to:

- **Suppress and violate constitutional rights**
- **Retaliate against protected individuals and whistleblowers**
- **Obstruct lawful redress, refund rights, and judicial fairness**
- **Advance ideological, spiritual, or financial control agendas**

This is not administrative error or bias. This is deliberate constitutional warfare, executed through the inversion of law, under the false appearance of legal legitimacy.

The evidence demonstrates a pattern of targeting, enabled by:

- **Unauthorized judicial assignments by a conflicted actor. Please see exhibits 21-25.**
- **Documented co-authored legal reinterpretations used to justify the abuse**
- **Suppression of rights granted under 34 C.F.R. § 685.213, SSA disability laws, and the U.S. Constitution. Please see exhibits 14-17.**
- **Retaliate against protected individuals, Please see exhibits 14-16.**
- **Theft of Pension Money. Please see:** https://docs.google.com/document/d/1HpdhFj0sb37a7GJfYcbY8dHSzHo1nWSADyA2wyeapL8/edit?usp=sharing
- **Vandalized Mailbox**
- **Obstruct lawful redress**
- **Advance ideological, spiritual, or financial control agendas**

This is not misconduct. It is deliberate constitutional warfare, carried out through inversion of law under color of legitimacy.

6.2 Specific Findings Regarding Judge Alison Nathan:

1. **Conflict-ridden case assignments involving Petitioner, despite personal and ideological bias. Her refusal to recuse from Petitioner's matters, despite her Boyden Gray partnership conflict of interest. She created structural harm, deliberate financial induced oppression and compounded targeting.**

2. **Judge Alison Nathan's long standing, obstruction of FRCP format and local court rules, specifically, her unwarranted and malicious double sided lawsuit copying**

Order, and repeated unwarranted sanction threats, while aiding ECMC fraud, exemplifies the nullification of lawful state orders, including orders by former New York State Chief Administrative Judge Ann Pfau, to shield fraud committed by ECMC and its known sewer-service law firms. Please see exhibits 3-13 and exhibits 19A -19AAA.

3. **Suppression of evidentiary and due process rights, including concealment of forged court documents that required notarization and did not have such. Use of her previous obstruction of justice from the bench, effectuated ECMC current refusal to enforce federally mandated refund rights, and continues to encourage debt collection abuse.**

4. **Judicial retaliation under color of law, using prolonged exposure to baseless litigation, garnishment, emotional trauma, and spiritual warfare to silence Petitioner and obstruct justice.Please see exhibits 19A -19AAA.**

5. **Academic and ideological promotion of constitutional reinterpretation to weaponize court systems, including her documented participation in co-authored legal doctrines that endorse amending judicial frameworks to disempower sovereign individuals and normalize treasonous legal theories. See exhibits 17 -25.**

7.0 Relationship with Boyden Gray and Adam Urbanski

7.1 The Gray Doctrine

Judge Nathan is a legal protégé of Boyden Gray, who architected:

- **Judicial reinterpretation frameworks**
- **Legal cult governance**
- **Judicial Selection Hijacking, Judicial Weaponization and Human experimentation via education and healthcare fronts**

The Boyden Gray Legal Cult Architecture and Eugenics Nexus is exemplified in the many links attached. The Boyden Gray Legal Cult Infrastructure: Judicial Mentorship, Eugenics, and Constitutional Subversion

Petitioner introduces C. Boyden Gray, the 2023 deceased legal architect and mentor to Judge Alison Nathan, as the ideological and operational founder of a covert legal cult structure embedded within U.S. institutions. Judge Nathan's conduct, including judicial collusion, obstruction of discharge rights, and repeated violations of constitutional protections, cannot be fully understood without identifying her documented work relationship, alignment and mentoring with Boyden Gray's unconstitutional doctrines and legal methodologies. Please see the below and exhibits 20-21 attached.

Boyden Gray mentored Judge Nathan in weaponized legal reinterpretation, judicial hijacking, and covert governance programming. Together, their legacy reflects a coordinated campaign to dismantle lawful court systems, embed ritualistic abuse infrastructures, and operationalize assassination-by-legal-process targeting whistleblowers, seniors, and sovereign civilians.

Judge Alison Nathan, Boyden Gray's co-worker and mentee, her act of judicial public corruption, enabled through her Boyden Gray judicial infiltration into case assignment systems, was used to sabotage Petitioner's meritorious ECMC matter. Likewise, her legal cult's orchestration of judicial selection in favor of alleged Judge Lewis Kaplan, also connected to the Boyden Gray eugenics epicenter at the University of Rochester, positioned Kaplan over both President Donald J. Trump's prosecution and human rights advocate and scholar Steven Donziger's case, as documented in Exhibits 21-25. These targeted judicial placements, including Boyden Gray co-worker and criminal Alison Nathan

assigned to petitioner, represent calculated Boyden Gray advertised, Betray the Constitution, judge selection schemes, with "judicial conspiracy against rights" ramifications.

However, what demonic forces intended for harm, the Most High God has repurposed for good. Judge Ann Pfau's prior dismissal orders and the standing federal refund statutes now illuminate the full extent of Judge Nathan's criminal judicial sabotage. Despite Kaplan's unlawful weaponization of the bench, President Trump's victorious reelection ultimately eclipses their intended agenda of destruction, turning their system of corruption into a record of divine reversal and accountability.

🔍 **To this end, please note that Petitioner had reported Boyden Gray's judicial, eugenic, children and adult human sacrifice assassination programming for years, as exemplified below. Boyden Gray's co-worker Alison Nathan was the selected corrupt judge to injure and damage Petitioner and did so.**

The below links and descriptions provide evidentiary documentation of Boyden Gray's influence, in assigning his former co-worker, Judge Alison Nathan, a judicial assignment to Petitioner, for her malicious and defective double sided order and unwarranted sanction threats. Please see the below links and descriptions epitomizing Petitioner's criminal report writing documenting Boyden Gray's multiple eugenic assassination programs and use of government offices for assassination programming for satanists to meet their satanic wealth and power plans. Petitioner includes this section as part of the factual record establishing a coordinated judicial weaponization network rooted in ideological targeting, constitutional sabotage, and ritualized abuse infrastructures.

This record demonstrates the strategic use of legal institutions and federal courts as covert enforcement arms for non-consensual eugenic experimentation, psychological programming, and the financial liquidation of targeted individuals, particularly whistleblowers and crime victims who, through deliberate judicial corruption and collusion, have been systematically induced into disability status. Please see Exhibits 17–25 for supporting evidence. Ritual abuse infrastructures. See attached and belinked exhibits.

I. The Boyden Gray Nexus: Ideology and Infrastructure

Boyden Gray, now deceased (2023), served as a central architect of systemic judicial corruption, constitutional reinterpretation, and covert federal targeting programs. Over two decades of scholarly and evidentiary documentation has linked Gray to:

- **Ritual abuse infrastructures targeting civilians via lawfare, asset stripping, and human sacrifice assassination programming. See attached and hyperlinked exhibits**

- **Assassination programming, assassin creations, and trauma-based mind control targeting of children and adults**

🕳️ II. Alison Nathan as Former Co-Worker and Operational Protégé of the Boyden Gray Doctrine

Criminal Conduct and Conspiracy with ECMC, Nelnet, and Known Eugenic Operatives

Judge Alison Nathan has acted as an operational protégé of Boyden Gray, mirroring his legal ideology and criminal infrastructure within the federal judiciary. Her actions are not symbolic but tactical and embedded, constituting participation in an ongoing criminal enterprise targeting whistleblowers, disabled civilians, and survivors of public corruption.

Petitioner documents the following criminal manifestations of this alignment:

- **Suppression of whistleblower evidence, disability discharge protections, and federal refund rights in direct violation of 34 C.F.R. § 685.213, 18 U.S.C. § 242, and the First and Fourteenth Amendments.**
- **Shielding of ECMC and Nelnet's financial trafficking operations, a pattern of racketeering activity under 18 U.S.C. § 1962 (RICO).**
- **Criminalization of lawful civil redress through procedural sabotage and improper sanctions.**
- **Nullification of protective judicial orders, including those issued by Chief Administrative Judge Ann T. Pfau, in direct violation of the Supremacy Clause, 28 U.S.C. § 455, and federal civil rights law.**

- **Active participation in ideological extermination frameworks using the judiciary to carry out a satanic-eugenic program masked as law.**

III. Criminal Conspiracy with Boyden Gray, Adam Urbanski, and Other Ideological Actors

Petitioner further submits that Judge Alison Nathan, Boyden Gray, Adam Urbanski, and others are active participants in a criminal enterprise engaged in ritualized targeting, covert state-sponsored assassinations, and the human trafficking of American civilians under the guise of governance.

Boyden Gray, until his death in 2023, operated as a strategic coordinator of constitutional subversion and judicial programming. Over decades, his name has appeared repeatedly in connection to:

- **Ritual abuse, assassination programming, and vaccine-trauma-based behavioral control**
  ➤ Gray-Lippman – Archive.org
- **Covert eugenics operations at the University of Rochester Medical Center with Adam Urbanski, including the dissemination of biologically weaponized substances and trauma-based conditioning**

7.2 Adam Urbanski's Operational Role

Operates as a shadow government assassin and union-controlled body broker responsible for:

- **School-based trafficking infrastructure**
- **Targeted hospitalizations**
- **Eugenics programs under public service disguise**
- **Financial sabotage of whistleblowers**

⚠️ IV. Adam Urbanski's Role in Criminal Eugenics, Judicial Placement, and Covert Trafficking Operations

Adam Urbanski, operating under the public guise of union leadership as President of the Rochester Teachers Association (RTA) and longtime affiliate of the American Federation of Teachers (AFT), has, in fact, functioned as a regional assassin programmer, body broker, and embedded child trafficking coordinator within the educational system for over four decades. His role is not accidental, it is strategic, criminal, and deeply entrenched.

As documented in Exhibit 29 and corroborated in the linked criminal report, Urbanski has amassed and maintained multiple fatal conflicts of interest, acting as:

- **An over 40 year voter fraud union president, leveraging unverified ballots to install his complicit local leadership**
- **A bioweapon and infectious disease disseminator, introducing experimental substances through school pipelines to induce hospitalizations**
- **A student poisoning programmer, enabling "label-dead-while-alive" protocols to facilitate live human trafficking, live organ harvesting and children innocent blood draining for his blood thirsty satanic cult members and rituals**
- **A funeral home operator, body broker, and cremation site owner, closing the trafficking loop through disguised end-of-life operations**
- **An insurance fraud architect, with direct access to educator pensions, retirements, and medical benefits, manipulating financial instruments tied to life and death**

Urbanski's reach includes educational policy manipulation, fraudulent benefits control, covert surveillance of children and educators, and orchestrated psychological warfare masked as pedagogy.

These roles are not mere ethical breaches—they are components of a multi-institutional criminal enterprise involving covert eugenics, human sacrifice programming, and judicial placement operations.

📎 **Please review the criminal evidence compiled against Adam Urbanski in this report, while he is 80 years old, and is currently, stronghold trafficking students and educators, in the Rochester City School District, like he tried to do to Petitioner, when she became a whistleblower in the RCSD. Or [https://drive.google.com/file/d/1YtRbnjozKQjpAcqWfukjG9AcqX-XK4Ah/view?usp=sharing]

This is not misconduct.
This is systemic evil.
Petitioners and public witnesses demand full federal investigation, arrest, and prosecution of Adam Urbanski for crimes against humanity, institutional corruption, and the targeting of America's children.

Petitioner documents:

- **Adam Urbanski's multiple human trafficking assassination attempts against her during her employment in the Rochester City School District (RCSD)**
- **Adam Urbanski's use of race-based exclusion criteria in honor programs (Major Achievement Program), criminally designed to block children of color from academic access**
- **Adam urbanski's control over hiring processes, routinely placing NO EXPERIENCED EDUCATORS IN LEADERSHIP POSITIONS, so his human trafficking programmings have escalated to titling the RCSD main money office, the RCSD Human Capital front. This office criminally usurps all school district money and controls all hiring. Adam Urbanski has an internet search website for money thirsty criminals, actors, actresses, pedophiles and more at: https://themarketingmentors.com/about/. He uses the Human Capital front for his human trafficking programming, hiring unqualified and complicit actors within education administration ranks to implement discriminatory, criminal, and trauma programming.**
- **His obsession with satanic ritual, trauma-based programming, and financial warfare against whistleblowers**

V. Placement of Traitorous Judicial Actors via "Fund for Modern Courts"

Judge Nathan's installation, and that of other judicial agents such as alleged Judge Lewis Kaplan and Governor Kathy Hochul, has occurred through the unconstitutional placement network known as the Fund for Modern Courts, which Petitioner identifies as an occultic front for judicial hijacking.

8.2 🔎 Prosecutorial Review: Modern "Armed Hostility" and Systemic Subversion

Petitioner respectfully clarifies for prosecutorial and oversight authorities that terms such as "armed hostility," "recruitment against the United States," and "seditious conspiracy" do not require traditional weaponry such as firearms or military-grade equipment. In the modern legal and administrative landscape, "armed" individuals may act through official capacity, judicial placement, legal process abuse, or institutional control mechanisms.

Today's war against the Constitution is often waged through:

- **Credential-based infiltration (e.g., placing actors into judgeships, agency posts, or educational leadership)**
- **Lawfare tactics, where courts, statutes, and policy are repurposed as tools of sabotage**
- **Use of state and federal systems (e.g., NYSTRS, ECMC, university "research" programs) to carry out psychological warfare, coercive control, and identity erasure**

Prosecutors must be aware that this form of governance subversion , led by individuals such as Adam Urbanski, Boyden Gray, and Judge Alison Nathan, is deeply ritualized, multi-institutional, and documented through their coordinated actions.

Petitioner urges a framework of review that recognizes:

- **Financial fraud as a tool of coercion**
- **Legal filings and false court documents as assault weapons**
- **Targeted economic erasure as a form of attempted democide**
- **Policy capture and judicial fraud as treason-by-legal-means**

These perpetrators are not rogue individuals. They are part of a criminal enterprise that requires prosecutors to interpret the law not only textually, but contextually, with full understanding of how modern treason, trafficking, and sedition are carried out in bureaucratic disguise. Experienced and innovative justice seeker prosecutors are paramount!

8.2A ⚖️ Clarification: Modern "Armed Hostility" and Systemic Subversion

Petitioner respectfully clarifies that terms such as "armed hostility," "recruitment against the United States," and "seditious conspiracy" must be interpreted in the modern administrative context, not limited to physical weapons.

Modern armed enemies of the Constitution are often armed with:

- **Judicial robes, bar licenses, and bureaucratic power**
- **Fraudulent court documents**
- **Credential-based access to control hiring, finance, and policy**
- **The ability to weaponize law, process, and procedure against civilian rights**

An Example of Modern "Armed Hostility," and Systemic Subversion: Occultism in the Federal Court That Must Be Stopped

Exhibit 31 is an example of armed hostility, paper weaponry, a fraudulent court document, systemic subversion, and legal witchcraft under color of law. This witchcraft court document was criminally allowed in a federal courtroom and should not have been. This was a court witchcraft act that must never be repeated. Any form of witchcraft within court proceedings constitutes criminal anarchy, public disorder, armed hostility, and systemic subversion. These deadly and deceptive practices must not be allowed in We the People's courts of justice.

Exhibit 31 illustrates Adam Urbanski's criminal usurpation in federal court via repeated stalking, paper weaponry, and legal witchcraft under color of law.

UNITED STATES DISTRICT COURT

MIRIAM SYNDER

-against-

HEMPSTEAD PUBLIC SCHOOL DISTRICT, ET AL

ORDER

RECEIVED
MAR - 6 2002
PRO SE OFFICE

This wrong-named "SYNDER" court record provides direct evidence of criminal tampering with evidence using coded witchcraft. It exemplifies high-level criminal insanity, rooted in a false "above-the-law" phenomenon using occultism and spellcasting.

Exhibit 31, this federal document, containing the altered and cursed name "Synder" in place of the correct name Miriam Snyder, constitutes a violation of:

18 U.S.C. § 1519 – Destruction, Alteration, or Falsification of a Federal Record

This is federal judicial misconduct, whereby Petitioner's name was deliberately altered on an official court record. This altered name has long been used as a coded curse to financially assault and strip Petitioner of her basic human rights. Please see extensive prior usage of this code at:
🔗 **"SYNDER" Curse Documentation**
OR
https://drive.google.com/file/d/0B4GxpI4lqlisSldsendBazJaOVE/view?usp=sharing&resourcekey=0-TtDmFhqAfGx8J_WGUQy0pg

Occult weapons/crimes do not belong in any courtroom. Left unchecked, occultists have begun to infiltrate the judiciary, disguising witchcraft as judicial independence and weaponization and misspelled names are used for spellcasting.

Please note, the spellcasting definition: The intentional use of symbolic words, names, or actions—such as the misspelled "Synder" on a federal court document—as a covert form of psychological manipulation or spiritual targeting, designed to intimidate, curse, or inflict harm under the guise of legal or official process.

"Psychological Operations: Principles and Case Studies" (U.S. Army War College)

Although the "Synder" curse has been unlawfully used in schools, hospitals, pensions, and employment settings to deny Petitioner basic rights, its entry into a federal courtroom constitutes a prosecutable act of evidence tampering, fraud, and spiritual targeting.

This was not a clerical error. It was a deliberate COINTELPRO-style attack, designed to curse, intimidate, and destabilize a pro se litigant. It signaled unlawful authorization to defund, harm, or eliminate Petitioner via the legal system.

This "Synder" document mocks sacred legal process by embedding satanic targeting codes into the record. Such criminal tampering has:

- **Turned court filings into sorcery scripts**
- **Turned forged documents into assassination contracts**
- **Turned courtroom silence into ritual complicity**

They have weaponized:

- **Names (like "SYNDER") as curses**
- **Paper as spiritual traps**
- **Process as warfare**
- **Law as camouflage**

The criminal use and tolerance of the cursed "Synder" name in court filings supports the transformation of the courthouse into a gateway for satanic programming, directly responsible for the following criminal violations:

⚖️ Applicable Federal Laws Exhibit 31, Altered Federal Document Violates

1. **18 U.S.C. § 1512 – Tampering with a Witness, Victim, or Informant**

🔥 Summary of Legal, Spiritual, and Procedural Harm:

- **Name manipulation is not a typo — it is a *signal*, rooted in occult legal culture, used to authorize harm and deny equal justice.**
- **This is evidence of systemic corruption, court hijacking, and covert assassination programming masked as legal procedure.**
- **Page 2 of the exhibit references the medically induced death of Petitioner's father, connecting this ritualized name manipulation to spiritual warfare, financial destruction, and lineage assassination.**

📁 **Exhibit Reference:**

📌 Supplemental Examples of Non-Traditional "Weapons" in Modern Treason:

- **Legal filings and fraudulent court orders**
- **Policy manipulation used to destroy economic life**
- **Credentialed authority to silence, exclude, or assassinate**
- **Digital surveillance and reputation sabotage**
- **Covert lawfare operations against whistleblowers and the disable**

📜 Treason-by-Governance: A Modern Framework

> ***"Treason is the betrayal of allegiance through any overt act — not just by bearing arms, but by aligning with enemies and aiding their aims, even under the disguise of law."***

🔎 **Prosecutorial Guidance:**

Petitioner urges DOJ, Congress, and lawful authorities to interpret these statutes with:

- **Modern awareness of how infiltration and treason occur**
- **Acknowledgment of ritualized ideological violence embedded in bureaucratic systems**
- **Recognition of institutionalized coercion, extermination, and trafficking masked as governance**
- **Use of experienced treason investigators**

These crimes require urgent prosecution under the full weight of applicable federal statutes

8.3 Expanded Criminal Operations of Adam Urbanski: The Shadow Government Assassin

While Boyden Gray operated as the architect of ideological and constitutional subversion, Adam Urbanski functions as the *executioner* of that doctrine, deploying tactical, covert assassination programming regionally and globally.

Urbanski's role is not metaphorical, it is operational. His methods align with covert state violence, making him a shadow government enforcer embedded within public institutions under the guise of union leadership and educational reform.

Through a network of corrupted hospitals, educational boards, and judicial access points, Urbanski executes removal, silencing, or extermination of targeted individuals and public officials through:

- **Induced hospitalizations via deadly sleep research and trauma programming. Please see his dual life as a sleep researcher at: https://www.facebook.com/photo.php?fbid=1417876281628653&set=pcb.1417877201628561&type=3&t**
- **Use of sleep research programming to laser gum and tooth damage to induce dental visits for eugenic stalking, deadly injection dissemination, and Covid Breathless Receptor Placements for assassination programming, disguised as Covid. Please see:**
- **Use of prepaid hospitals to:**
    - **Induce death, infestation, or disability under medical pretense**
    - **Label targets "unresponsive" , undead, dead, while alive, antemortem creations, for satanic ritual abuse and assassination**
    - **Mute voices for human trafficking and live organ sales**
    - **Facilitate illegal trafficking and live organ harvesting**

- **Post-hospitalization tracking and control, including implanting Elon Musk's unsupervised and deadly neuralink devices or conditioning behaviors while patients are sedated**

8.3 📌 Documented Patterns of Assassination and Political Interference

Adam Urbanski has repeatedly engaged in a criminal pattern of induced hospitalization, covert medical assassination, and political interference, targeting high-level legal and governmental figures through weaponized medical access, energy-based assault, and eugenics-aligned judicial placement.

⚠️ **Notable Incidents Include:**

- **Hempstead Union Free School District Attorney Daniel Gallinson was hospitalized and died under suspicious circumstances shortly after settling a legal matter with Petitioner. This act appears to be a retaliatory assassination to neutralize a legal witness and erase evidence.**
- **Urbanski induced the hospitalization of former NYS Governor David Paterson using covert directed energy weapons, exploiting the Governor's known visual vulnerability. While under medical duress, Governor Paterson was subjected to neural manipulation and mind control protocols, facilitating the appointment of Jonathan Lippman, a University of Rochester Medical Center–aligned eugenicist and satanic-affiliated judicial actor, as Chief Judge of New York State.**
  📎 **Supporting Evidence:**
  "Induced Hospitalization to Surgical Department NYS Governor Paterson, Thereafter Induced Appointment of Jonathan Lippman, Satanist, As NYS Chief Judge and Thereafter Assaulted The Former Governor With Satanic and Criminal Senile Infectious Disease Programming"
  📄 ***See Pages 141–156:***
  Cuomo Affidavit – Regional Killer Boyden Gray Assassination Programming (Dropbox)
- **Urbanski sought to take over the presidency of the American Federation of Teachers (AFT) to gain broader access to school systems and vulnerable children nationwide for covert programming, psychological experimentation, and trafficking.**
- **Shortly after Saundra Feldman, then-AFT President, received internal warnings about Urbanski's history of medical and political sabotage, she developed a sudden and unexplained terminal cancer, consistent with targeted bioweapons or energy-based medical assault patterns linked to Urbanski.**

- **Petitioner personally notified AFT leadership of Urbanski's criminal background, preventing his installation as AFT President, an act which may have prevented nationwide escalation of his covert child trafficking, abuse and extermination protocols.**

🧨 Pattern Summary

These documented actions are not isolated events. They are part of a reproducible operational pattern used by shadow government actors to:

- **Neutralize legal and political opposition**
- **Assassinate or discredit dissenting officials and union figures**
- **Replace removed individuals with compromised agents aligned with occult, trafficking, and globalist interests**
- **Establish long-term covert control over state institutions through judicial, medical, and union infiltration**

This operational pattern mirrors broader international behavior observed in political regimes where key figures are hospitalized or removed, then replaced by preinstalled ideological actors loyal to occult or globalist networks.

🔥 Refined Additions to Urbanski's Operational Methods:

- **Use of induced and non-consensual "sleep research" programs to hospitalize and harm targets under the guise of medical intervention. Please see his dual life as University of Rochester Medical Center, unsupervised and deadly sleep researcher at page 44, at:**

- **Coordination with prepaid hospitals to:**
  - **Inflict covert injury**
  - **Surgically and Chemically sedate and silence**
  - **Label patients dead while alive for legal and financial criminal Urbanski insurance scheming**
  - **Facilitate spiritual bondage and human trafficking**
- **Strategic removal and replacement of officials, executives, legal figures, and whistleblowers**
- **Financial destabilization, denial of benefits, and fraudulent documentation**
- **Systematic psychological warfare, digital targeting, and bureaucratic retaliation**

- **Use of pension theft and institutional control to induce submission, silence, or social disappearance**

8.4⚖️ Legal and Constitutional Framing:

These tactics constitute domestic terrorism (18 U.S.C. § 2331), human trafficking under color of law (18 U.S.C. § 1590), and ideological targeting designed to overthrow constitutional government (18 U.S.C. §§ 2381, 2384, 371, and 241–242).

Petitioner urges immediate investigation under:

- **18 U.S.C. § 2381 – Treason**
- **18 U.S.C. § 2384 – Seditious Conspiracy**
- **18 U.S.C. § 241–242 – Conspiracy and Deprivation of Rights**

Human Trafficking Through Medical Entrapment

- **In 1994, Petitioner was subjected to non-consensual "sleep research" programming, criminally designed to induce hospitalization and enable her unlawful disappearance through false "unresponsive" diagnosis, consistent with:**
  - **Label-dead-while-alive protocols**
  - **Covert trafficking and experimental bio-surveillance**
- **Urbanski used the same trafficking model to entrap and label Petitioner's mother, father, and sister as unresponsive—eliminating them from financial, legal, and civil systems to facilitate organ harvesting and ritual abuse**

8.5 📌 Documented Patterns of Assassination and Political Interference:

- **Urbanski induced hospitalization and death of the Hempstead Union Free School District lawyer shortly after a legal settlement with Petitioner, a retaliatory act to neutralize evidence and testimony**
- **He induced hospitalization of former NYS Governor David Paterson, using covert medical intervention to install a replacement Chief Judge (Jonathan Lippman), another satanic-aligned judicial actor**
- **He wanted the AFT presidency position for easier access to continue covert assassination, infestation, and human trafficking of all of America's most**

vulnerable children. Saundra Feldman the AFT president was inflicted with cancer out of nowhere, Urbanski style, and killed.

- **Plaintiff notified AFT of his sinister history and thank God he was blocked from getting her position due to his removal of her as president of the AFT.**
- **These actions mirror broader international behavior by shadow government operatives: entering nations, targeting key figures, hospitalizing and replacing them with compromised actors aligned with occult, globalist, or trafficking agendas**

🔥 Refined Additions to Urbanski's Operational Methods:

- **Use of induced and non-consensual "sleep research" programs to hospitalize and harm targets under the guise of medical intervention**
- **Coordination with prepaid hospitals to:**
  - **Inflict covert injury**
  - **Chemically sedate and silence**
  - **Label patients dead while alive for legal and financial erasure**
  - **Facilitate spiritual bondage and human trafficking**
- **Strategic removal and replacement of officials, executives, legal figures, and whistleblowers**
- **Financial destabilization, denial of benefits, and fraudulent documentation**
- **Systematic psychological warfare, digital targeting, and bureaucratic retaliation**
- **Use of pension theft and institutional control to induce submission, silence, or social disappearance**

8.6 ⚖️ Legal and Constitutional Framing:

These tactics constitute domestic terrorism (18 U.S.C. § 2331), human trafficking under color of law (18 U.S.C. § 1590), and ideological targeting designed to overthrow constitutional government (18 U.S.C. §§ 2381, 2384, 371, and 241–242).

📍 Institutional and Ideological Nexus

All actors—Alleged Judge Lewis Kaplan, Judge Alison Nathan, Boyden Gray, and Adam Urbanski—are linked to the University of Rochester Medical Center, a known hub of:

- **Eugenics research**
- **Behavioral control experimentation**
- **Infectious Disease Creations, Injection Dissemination, and Depopulation Programming w no penalties yet**
- **Economic Credentialing**
- **Racialized, spiritual abuse, and scientific obstructions disguised as public health**

It is no coincidence that:

- **Judge Nathan was assigned to Petitioner's federal matters**
- **Alleged Judge Lewis Kaplan, a documented affiliate of Gray, was assigned to President Trump's matters**
- **Alleged Judge Lewis Kaplan is the Boyden Gray/Elon Musk Premeditated SSA Appeals fraud Judge to starve and kill seniors again, while Elon Musk fronts a search for his SSA fraud ghost**

This operation was mentored with Boyden Gray, whose documented use of SSA appeals as a tool for abuse of process, fraudulent denial, starvation, and economic extermination is illustrated extensively in the following report:

📎Economic Credential Judges in Place for Religious Extremism Depopulation programming targeting SSA recipients
🔗 Pages 26, 30–36 – SSA Appeals Abuse, Boyden Gray Design

Today, Elon Musk has extended that same scheme, promoting a false SSA fraud narrative — including references to a so-called "SSA fraud ghost" — to mask an administrative removal campaign targeting seniors. Under this cover, seniors are:

- **Pulled into fraudulent appeals before judges like Kaplan**
- **Induced into starvation, nursing homes, or psychiatric control systems**
- **Eliminated under satanic depopulation quotas, all disguised as fraud prevention or compliance**

Petitioner's experience reflects this larger system of targeting, rooted in Rochester-aligned legal fraud, where ideological actors are installed to use law as a weapon of destruction against the elderly, the disabled, and whistleblowers. .

8.7 💣 Crimes Committed by the Network

This network has orchestrated:

- **Targeted financial extermination**
- **Attempted human trafficking under color of law**
- **Procedural sabotage of whistleblower protections**
- **Spiritual and psychological warfare masked as policy and health care**

These actors do not act alone. They function as part of a coordinated legal cult, which uses:

- **Judicial platforms**
- **Medical networks**
- **Educational systems**
- **Federal pension infrastructure**
  To carry out what constitutes modern-day treason and institutionalized trafficking.

VI. JUDGE NATHAN CRIMINALITIES:

Attempted Nullification of a Binding Order by NYS Chief Administrative Judge Ann T. Pfau

Petitioner alleges that Judge Alison Nathan knowingly disregarded and nullified a binding and unrevoked protective order issued by Hon. Ann T. Pfau, former Chief Administrative Judge of the New York State Unified Court System. As Chief Administrative Judge, Judge Pfau held lawful authority over all New York trial courts and issued orders with statewide enforcement authority.

> **Footnote: Judicial Nullification refers to the unlawful override or suppression of a valid order issued by a judge with proper jurisdiction. In this case, Judge Nathan's actions enabled ECMC and Nelnet to carry out illegal garnishment and enforcement activities without regard to that state-level protection. Her actions were undertaken without jurisdiction, without notice, and without appellate authority, and thereby constitute:**

> - **Color of law abuse (18 U.S.C. § 242)**
> - **Conspiracy against rights (18 U.S.C. § 241)**
> - **Judicial insurrection and misconduct (28 U.S.C. § 351)**
> - **Criminal anarchy (NY Penal Law § 240.15)**

VII. Retaliatory Weaponization of Judicial Procedure

Judge Nathan used federal court procedure not as a neutral arbiter of justice, but as a weapon to:

- **Aid and Abet Fraud**
- **Assign Judicial Conspiracies Against Rights**
- **Suppress filings using false formatting barriers (e.g., rejecting documents for being single-sided)**
- **Delay or obstruct review of whistleblower evidence**
- **Shield financial institutions (ECMC, Nelnet, NYSTRS) from accountability**
- **Force Petitioner to "sue" to access basic rights**
- **Obstruct Justice: Order Double Sided lawsuit Copying, for a Pro Se Single Sided Lawsuit, to Obstruct State and Federal Lawsuit format Rules, To Create a Lawsuit Defect, To Create Lawless, Judge Set Up Reason for Dismissal,**

This constitutes a willful violation of:

- **Federal Rules of Civil Procedure 10(a) – which governs formatting and party naming, but does not authorize the denial of access for printing preferences**
- **Due process under the 5th and 14th Amendments**

VIII. Coordination with ECMC and Financial Agents

Judge Nathan's refusal to enforce protections, or hold ECMC accountable, enabled:

- **Unauthorized garnishment of Petitioner money account without court order**
- **Use of forged, unnotarized promissory notes**
- **Garnishment Continued with complete absence of affidavits, judgments, or due process required under 42 U.S.C. § 407 and 15 U.S.C. § 1692g**

IX. Application of 18 U.S.C. §§ 241 and 242

The following conduct forms the basis for criminal prosecution of Alison Nathan under §§ 241–242:

Action	Violation
Ignoring Judge Pfau's protective order	**Conspiracy against rights (18 U.S.C. § 241)**
Allowing ECMC to act without legal authority	**Deprivation of rights under color of law (18 U.S.C. § 242)**
Procedural obstruction of pro se litigant	**42 U.S.C. § 1983 / FRCP abuse**
Enabling financial trauma as retaliation	**Whistleblower retaliation / 22 U.S.C. § 7102(11)(B)**

X. Prayer for Federal Oversight and Relief

Petitioner Miriam Snyder respectfully requests:

- **DOJ Civil Rights Division review of all conduct by Alison Nathan**
- **Senate Judiciary referral for potential impeachment inquiry**
- **Immediate disclosure of Alison Nathan's bond or liability protections**
- **Criminal investigation into her coordination with ECMC, Nelnet, Capital One, and NYSTRS, and more**
- **Full restitution for garnished, blocked, and unlawfully withheld funds**

Respectfully submitted,

MEMORANDUM OF LAW: Violations of Federal Disability Discharge, Financial Fraud Statutes, and Civil Rights by Nelnet and ECMC

RE: Nelnet and ECMC Misconduct Involving Total and Permanent Disability (TPD) Refunds, Unlawful Garnishment, and Retaliation Against a Protected Disabled Borrower

---

I. Violation of Federal Discharge Regulations (34 C.F.R. § 685.213)

Unlawful Refusal to Apply Social Security Disability Determination Date
Nelnet failed to honor the federal regulation requiring TPD discharge to take effect on the date of SSA disability determination or licensed physician certification, denying refund eligibility accordingly.

II. Violation of Federal Loan Discharge Statute (20 U.S.C. § 1087)

Withholding of Federally Mandated Refunds for Payments Collected After Disability Certification
Refusal to return funds improperly collected after the borrower was deemed totally and permanently disabled constitutes a direct violation of statutory loan discharge rights.

III. Mail and Wire Fraud (18 U.S.C. §§ 1341, 1343)

Deceptive Use of Correspondence to Misrepresent Legal Rights and Deny Relief
Repeated scripted denial letters were used to mislead the borrower, mask legal obligations, and continue withholding entitled funds under a false pretense of compliance.

IV. Civil Rights Violation Under Color of Federal Authority (42 U.S.C. § 1983)

Deprivation of Financial Rights Through Abuse of Delegated Government Power
Nelnet, as a federal servicer, operated under the color of law while denying rightful relief, constituting a deprivation of benefits and protection owed under federal loan policy.

V. False Claims Act Violations (31 U.S.C. § 3729)

Knowingly Retaining Federal Funds Owed to a Disabled Borrower
Retention of funds that should have been refunded following disability discharge constitutes unlawful enrichment and a false claim upon the U.S. Treasury.

VI. Social Security Act Violations (42 U.S.C. § 407)

Illegal Siphoning of Social Security Benefits Without Lawful Order
ECMC intercepted and seized benefits protected under SSA rules without court order, no affidavit or due process, violating the statutory exemption from garnishment.

VII. Violation of the Consumer Financial Protection Act (12 U.S.C. § 5531)

Unfair, Deceptive, and Abusive Practices by Loan Servicer Targeting a Protected Borrower
Denial of refunds, false date policies, and misleading communications violate consumer protection standards enforced by the CFPB.

VIII. Retaliation and ADA-Based Financial Targeting

Pattern of Abuse, Denial, and Administrative Retaliation Against a Disabled Whistleblower
Repeated obstruction, refusal to comply with SSA-determined dates, and suppression of relief after CFPB filings point to administrative retaliation and potential ADA violations.

Documentation of Repeated Income Assassinations as a Precursor Tool of Human Trafficking

Petitioner, Miriam Snyder, has been subjected to repeated income assassinations, deliberately orchestrated to destroy her economic stability, access to justice, and personal autonomy. These acts are not isolated, they are systematic, ritualized, and spiritually coded mechanisms of financial warfare. Please see:

The targeting has come through pension theft, fraudulent garnishments, refund denials, and sabotage of legally discharged debts. These calculated attacks are designed to manufacture conditions of vulnerability for the predatory benefit of a covert satanic trafficking network operating within the disguise of government, finance, and judicial systems.

Economic destruction is the gateway to human trafficking. These institutions do not merely exploit legal gray areas, they create them, weaponize them, and enforce them through rogue agents and legal deception.

Each refusal to release Petitioner's lawful funds is a criminal act of trafficking-by-financial-destabilization, carried out under color of law in violation of:

- **34 C.F.R. § 685.213 (TPD Discharge Law)**
- **18 U.S.C. § 241 / § 242 (Conspiracy and Deprivation of Rights)**

- **18 U.S.C. § 1343 (Wire Fraud)**
- **18 U.S.C. § 1962 (RICO)**

These crimes are not mismanagement , they are the monetary wing of a deeper system of eugenic assassination programming and Petitioner demands full criminal investigation, restitution, and public exposure. Thank you.

To Whom it May Concern;

Ms. Snyder has a very good academic background and is very knowledgeable in all fields of study especially in bilingual Spanish and English. In spite of all this she has had problems seeking employment lately. She seems to have a very severe anxiety neurosis and post traumatic stress disorder which has prevented her from obtaining work. In spite of the fact that Ms. Snyder has a high intelligence and highly motivated ability to teach, she has had problems obtaining any type of work due to the fact that she had a history of induced anxiety neurosis as well as post traumatic stress disorder. As a consequence she has severe problems finding any type of work. Consequentially she has become completely disabled from any type of gainful employment because of her inability to function at gainful employment at this time. She continues to have stress related disorder as well as severe anxiety neurosis which prevent her from gainful employment and causing her total disability.

Yours truly,

Federal Regulations Confirming That TPD Discharge Is Retroactive to Doctor/SSA Determination Date — and All Payments Made After That Date Must Be Refunded

This exhibit cites 34 C.F.R. § 685.213, which mandates that the effective date of discharge for student loans is the date the borrower was determined disabled by a physician or the SSA. Under this federal law, any wage garnishments or payments made after that date must be refunded in full. ECMC and Nelnet's failure to return these funds constitutes a direct violation of Department of Education regulations and federal law, and warrants immediate investigation and legal remedy.

📘 **Legal Authority:**

1. **34 C.F.R. § 685.213(b)(1)(i)–(ii)**

   "If the borrower is determined to be totally and permanently disabled… the Secretary discharges the borrower's obligation to repay a Direct Loan based on:
   (i) A physician's certification;
   (ii) A determination by the Social Security Administration (SSA) that the borrower is disabled."

✅ ***This establishes that the TPD discharge can be based on either a doctor's determination or SSA's finding, and that these are legally binding for discharge.***

2. **34 C.F.R. § 685.213(d)(1) – Effective Discharge Date and Refunds**

   "The discharge is effective on the date the borrower became totally and permanently disabled, as certified by the physician or determined by the SSA. Any payments received by the Secretary or the loan holder after that date must be returned to the person who made the payments."

✅ **THIS IS THE REFUND RULE: ALL PAYMENTS MADE AFTER THE CERTIFIED DISABILITY DATE MUST BE REFUNDED, REGARDLESS OF WHEN THE LOAN HOLDER GETS AROUND TO APPROVING OR PROCESSING THE APPLICATION.**

ILLEGAL STUDENT LOAN OFFSETS/GARNISHMENTS AFTER TPD DETERMINATION (5 PAGES).

THIS FIVE-PAGE EXHIBIT DOCUMENTS OVER 12 YEARS OF UNLAWFUL OFFSETS (GARNISHMENTS) EXECUTED BY THE U.S. DEPARTMENT OF EDUCATION AND ECMC AFTER PETITIONER'S FEDERALLY RECOGNIZED TOTAL AND PERMANENT DISABILITY (TPD) DETERMINATION WAS IN EFFECT. THESE ACTIONS DIRECTLY VIOLATE:

- **34 C.F.R. § 685.213(D)(2) – REQUIRES IMMEDIATE CESSATION OF ALL COLLECTION ACTIVITY AFTER A TPD DISCHARGE AND MANDATES A FULL REFUND OF ANY AMOUNTS COLLECTED THEREAFTER**
- **26 U.S.C. § 6402(D) – GOVERNS TREASURY OFFSET PROGRAM (TOP) ACTIONS, WHICH MUST COMPLY WITH FEDERAL DISCHARGE LAWS**
- **42 U.S.C. § 1983 – CONSTITUTIONAL RIGHTS VIOLATION UNDER COLOR OF LAW WHEN BENEFITS ARE SEIZED CONTRARY TO FEDERAL PROTECTION**

👉 PETITIONER IS ENTITLED TO A FULL REFUND OF ALL SEIZED FUNDS, PLUS APPLICABLE DAMAGES FOR FINANCIAL INJURY, EMOTIONAL DISTRESS, AND DENIAL OF FEDERALLY PROTECTED DISCHARGE AND REFUND RIGHTS.

Dear Miriam,

We are writing in response to the inquiry you submitted to the Consumer Financial Protection Bureau (CFPB) regarding your federal student loan account with Nelnet, Total and Permanent Disability (TPD) Servicer. We take your concerns seriously and appreciate the opportunity to respond.

As we understand it, you would like us to correct your TPD date so that it is consistent with the physician's TPD determination date and the Social Security Administration's (SSA) date. You're asking for a refund of all the money, fees, and charges that Educational Credit Management Corporation siphoned from your Social Security account while not having a valid judgement and affidavit.

We responded to your similar concerns with our responses dated October 11, 2024, and November 6, 2024. We've enclosed a copy of our responses for your review. Please note that we provided a clear explanation that ED approved your application for TPD discharge effective December 4, 2023. We instructed your loan holder(s) to return any payments that were received after your disability date to the person who made the payments. As stated in the previous responses, your disability date is the date we received the documentation of your SSA notice of award for Social Security Disability Insurance or Supplemental Security Income benefits, or the date the licensed medical professional certified your discharge application, depending on the type of documentation you provided to show you are totally and permanently disabled. Your disability date for this purpose is October 25, 2023. You're only eligible for a refund of payments made after October 25, 2023.

Please understand we have made every reasonable effort to respond to your concern. If we do not receive new information substantiating your claim, we may file your concerns without additional action.

If you have questions, please visit our website DisabilityDischarge.com or email us at DisabilityInformation@nelnet.net. You may also contact us at 888-303-7818 Monday through Wednesday 8 a.m. to 8 p.m. (Eastern), Thursday and Friday 8 a.m. to 6 p.m.

Nelnet's letter dated October 11, 2024, confirms ongoing refusal to refund payments unlawfully garnished since 2012 and to apply the correct disability discharge date—despite documentation from the SSA. These actions violate federal TPD discharge regulations, statutory borrower protections, and Social Security anti-garnishment laws.

For this purpose, your "Disability Date" is the date we received the documentation of your Social Security Administration notice of award for Social Security Disability Insurance or Supplemental Security Income benefits, or the date the licensed medical professional certified your discharge application, depending on the type of documentation you provided to show you are totally and permanently disabled. Your disability date for this purpose is October 25, 2023. You are only eligible for a refund of payments made after October 25, 2023.

October 11, 2024 letter shows Nelnet's pretextual refusal to refund garnished funds predating October 25, 2023, despite SSA confirmation of permanent disability and eligibility going back years. This delay tactic mirrors judicial obstruction — designed to force the disabled Petitioner into civil court, as part of a larger scheme of administrative retaliation and judicial weaponization. Petitioner alleges this is being coordinated or enabled by Judge Alison Nathan's ongoing abuse of judicial authority and financial sabotage against whistleblowers.

Judge Alison Nathan, Southern New York U.S. District Court

Dec 10, 2020 — Judge Nathan is openly gay and **married to Margaret (Meg) Satterthwaite**. They are parents to twin sons.

Nathan's legal experience and what he said was her belief that judges can look to foreign law in deciding cases.

"It's very hard for me to believe that I should vote to confirm a judge who's not committed to following our law, who believes they have a right to scrutinize the world, find some law in some other country, bring it home, and use that law to make it achieve a result in the case they wanted," Sessions said.

https://www.academia.edu/125455104/Unchecking_Power_and_Capturing_Courts_How_Autocratization_Erodes_Independent_Judicial_Systems

HIGHLIGHTED DANGERS

This academic publication lays out a step-by-step strategy for judicial subversion using:

- **Foreign legal doctrines ("As Enshrined in International Law")**
- **Weaponization of law ("Politically Motivated Legal Proceedings," "Removal and Disbarment," "Labeling Justice Actors")**
- **Instrumentalization and curbing of judicial actors**
- **Strategic government defamation tactics**
- **Ideologically driven reinterpretation of justice institutions**

These points mirror the unconstitutional and retaliatory legal tactics used by Judge Alison Nathan against Petitioner and other politically or spiritually targeted individuals.

CRIMINAL IMPLICATIONS

The authors promote a doctrine of globalized judicial power that subverts the U.S. Constitution, including:

⚖️ **Judicial Weaponization – Key Statutes**

• **18 U.S.C. § 2381 – Treason**

Introducing foreign systems to sabotage U.S. governance and law

• **18 U.S.C. § 2384 – Seditious Conspiracy**

Coordinating subversive judicial structures to replace U.S. institutions

• **18 U.S.C. § 371 – Conspiracy to Defraud the U.S.**

Using court positions and academic influence to obstruct lawful process

• **42 U.S.C. § 1983 – Civil Rights Deprivation**

Replacing civil protections with ideological discrimination

• **Judicial Canons & Supremacy Clause**

Violating the oath to uphold U.S. law and displacing the Constitution

CONNECTION TO PETITIONER'S CASE

Judge Alison Nathan — as spouse and ideological partner of Satterthwaite — has:

- **Applied foreign doctrines to reinterpret U.S. law, violating 34 C.F.R. § 685.213 and the FRCP**
- **Targeted Petitioner for financial and judicial retaliation, consistent with the co-authored tactics**
- **Obstructed Petitioner's lawful disability relief, while aiding ECMC/Nelnet's fraud**
- **Enabled weaponized litigation and false labeling of Petitioner to deny redress**

🚨 CONCLUSION

This co-authored academic work serves as a roadmap for unconstitutional control over U.S. courts, and it is being executed through real-world legal retaliation, obstruction, and conspiracies against rights.

This exhibit demands:

✅ Federal Investigation into Judge Alison Nathan's ideological affiliations and conduct
✅ Review of her judicial rulings for signs of ideological targeting and constitutional breaches
✅ Congressional Oversight into the use of international law as a weapon of judicial oppression

ALISON J. NATHAN, District Judge:

On July 16, 2014, this Court issued an order permitting Plaintiff Miriam Snyder to collect the summons and copies of supporting documents from the Clerk's office so that she could expeditiously serve Defendants. Plaintiff has now filed a motion for the undersigned's recusal (Dkt. No. 7). That motion is denied.

To the extent that Plaintiff bases her motion for recusal on the fact that the copies of her complaint that were provided to her by the Clerk's Office were double-sided rather than single-sided (Aff. ¶¶ 13–17), double-sided printing is a reasonable means of conserving resources, not a basis for recusal.

HER DENIAL OF RECUSAL AND IMPOSITION OF NON-STANDARD SERVICE PRACTICES EXEMPLIFIES JUDICIAL SABOTAGE, PROCEDURAL ENTRAPMENT, AND ABUSE OF DISCRETION DISGUISED AS JUDICIAL INDEPENDENCE—RESULTING IN DEFECTIVE SERVICE CONDITIONS THAT UNDERMINED PETITIONER'S CASE AT ITS INCEPTION. THIS CONDUCT FURTHER REFLECTS JUDGE NATHAN'S PATTERN OF CONSTITUTIONAL SUBVERSION AND OBSTRUCTIVE MANIPULATION OF COURT ACCESS.

ALISON J. NATHAN, District Judge:

On July 16, 2014, this Court issued an order permitting Plaintiff Miriam Snyder to collect the summons and copies of supporting documents from the Clerk's office so that she could expeditiously serve Defendants. Plaintiff has now filed a motion for the undersigned's recusal (Dkt. No. 7). That motion is denied.

To the extent that Plaintiff bases her motion for recusal on the fact that the copies of her complaint that were provided to her by the Clerk's Office were double-sided rather than single-sided (Aff. ¶¶ 13–17), double-sided printing is a reasonable means of conserving resources, not a basis for recusal.

To the extent that Plaintiff bases her motion on the limited amount of time that the Court's July 16 order provided for Plaintiff to serve Defendants (Aff. ¶¶ 21–33), the Court's order was intended to allow Plaintiff to effect service quickly in light of the urgent nature of the allegations in her complaint. As the Court noted in that order, the final deadline for Plaintiff to serve Defendants is 120 days from the issuance of the summons.

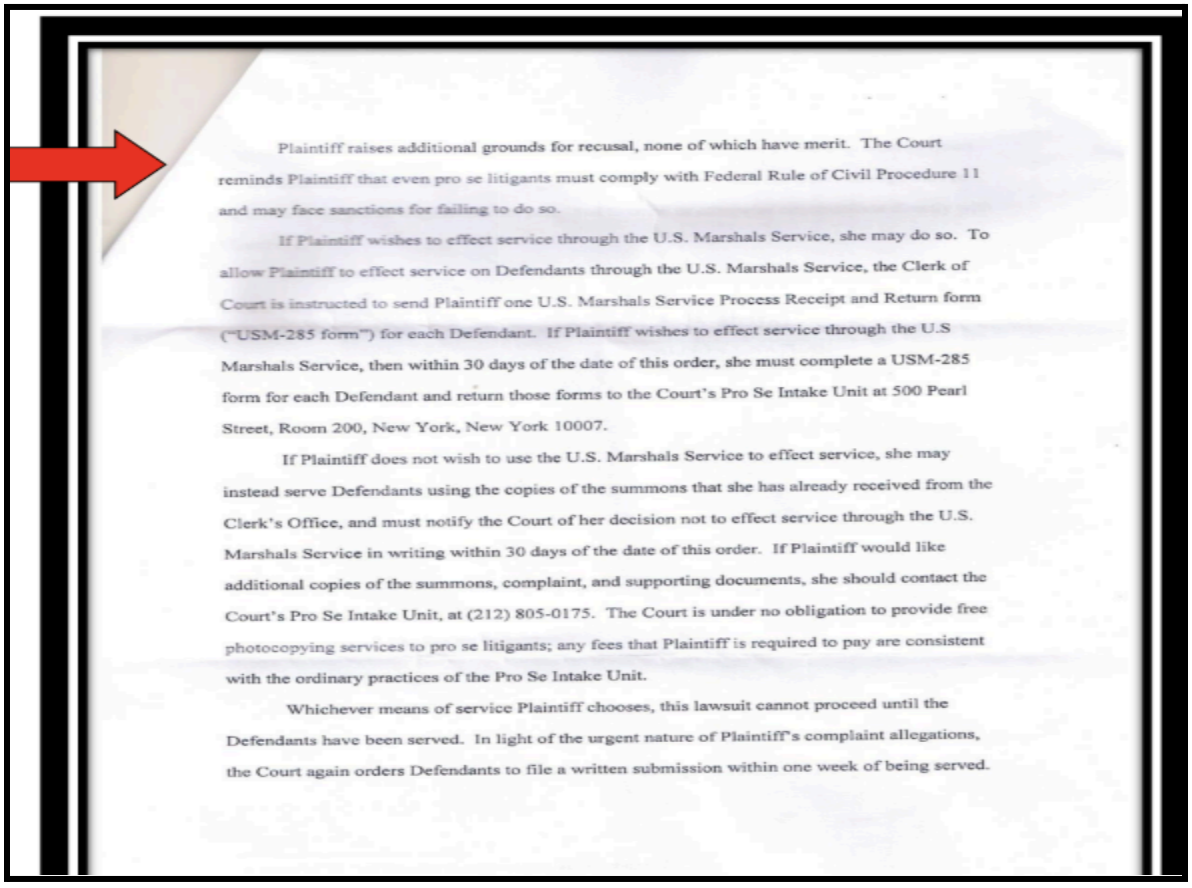
JUDICIAL TRESPASS – UNWARRANTED SANCTION THREATS AND ABUSE OF AUTHORITY BY JUDGE ALISON NATHAN THIS EXHIBIT FURTHER EXEMPLIFIES JUDGE ALISON NATHAN'S PATTERN OF JUDICIAL TRESPASS, RETALIATORY ABUSE OF POWER, AND PROCEDURAL EXPLOITATION AGAINST A PRO SE SENIOR LITIGANT. RATHER THAN PROVIDING MEANINGFUL JUDICIAL GUIDANCE, JUDGE NATHAN USES HER POSITION TO ISSUE AN UNWARRANTED AND INTIMIDATING SANCTION THREAT UNDER FEDERAL RULE OF CIVIL PROCEDURE 11, DESPITE PETITIONER'S LAWFUL EFFORTS TO OBTAIN SERVICE AND DEFEND HERSELF FROM ENTRENCHED PUBLIC CORRUPTION. THIS PAGE REFLECTS A COERCIVE USE OF COURT PROCESS TO BULLY, INTIMIDATE, AND SUPPRESS A SELF-REPRESENTED WHISTLEBLOWER AND WITNESS, USING THINLY VEILED LEGAL THREATS TO ENFORCE COMPLIANCE, EVEN WHERE NO MERIT-BASED WRONGDOING EXISTS. HER LANGUAGE FUNCTIONS NOT AS NEUTRAL ADJUDICATION BUT AS A WEAPONIZED FORM OF JUDICIAL COMMUNISM, DESIGNED TO SUPPRESS CONSTITUTIONAL DEFENSE AND OBSTRUCT RIGHTFUL ACCESS TO JUSTICE.



Plaintiff raises additional grounds for recusal, none of which have merit. The Court reminds Plaintiff that even pro se litigants must comply with Federal Rule of Civil Procedure 11 and may face sanctions for failing to do so.

If Plaintiff wishes to effect service through the U.S. Marshals Service, she may do so. To allow Plaintiff to effect service on Defendants through the U.S. Marshals Service, the Clerk of Court is instructed to send Plaintiff one U.S. Marshals Service Process Receipt and Return form ("USM-285 form") for each Defendant. If Plaintiff wishes to effect service through the U.S Marshals Service, then within 30 days of the date of this order, she must complete a USM-285 form for each Defendant and return those forms to the Court's Pro Se Intake Unit at 500 Pearl Street, Room 200, New York, New York 10007.

If Plaintiff does not wish to use the U.S. Marshals Service to effect service, she may instead serve Defendants using the copies of the summons that she has already received from the Clerk's Office, and must notify the Court of her decision not to effect service through the U.S. Marshals Service in writing within 30 days of the date of this order. If Plaintiff would like additional copies of the summons, complaint, and supporting documents, she should contact the Court's Pro Se Intake Unit, at (212) 805-0175. The Court is under no obligation to provide free photocopying services to pro se litigants; any fees that Plaintiff is required to pay are consistent with the ordinary practices of the Pro Se Intake Unit.

Whichever means of service Plaintiff chooses, this lawsuit cannot proceed until the Defendants have been served. In light of the urgent nature of Plaintiff's complaint allegations, the Court again orders Defendants to file a written submission within one week of being served.

LEGAL SIGNIFICANCE

This exhibit evidences a foreign-originated attempt to insert international legal norms and algorithmic decision frameworks into U.S. judicial institutions, under the guise of AI regulation and judicial "independence." The visual and textual invitation suggests:

- **Redefining due process through AI "reform"**
- **Embedding foreign legal frameworks into U.S. courts**
- **Undermining judicial accountability by shifting review to opaque tech policy**
- **Soft-control takeover of court interpretation standards**

🔥 RELEVANT CRIMINAL STATUTES VIOLATED

Statute	Violation Description
18 U.S.C. § 2381	Treason – Introducing foreign governance structures designed to displace U.S. law
18 U.S.C. § 2384	Seditious Conspiracy – Coordinated subversion of independent judicial power
18 U.S.C. § 371	Conspiracy to Defraud the United States – Through policy infiltration and soft subversion
42 U.S.C. § 1983	Deprivation of Civil Rights via ideological displacement of American legal protections
Judicial Canons / Supremacy Clause	Direct violation of oath to uphold U.S. Constitution and subordinate foreign law

🔎 LEGAL APPLICATION

🔹 **RAPPORTEUR MARGARET SATTERTHWAITE, SPECIALIST IN REINTERPRETING CONSTITUTIONS TO WEAPONIZE COURTS IS JUDGE NATHAN'S WIFE (see Exhibit: Rutgers Law Review, "Unchecking Power..."), is now positioned to:**

- **Covertly design foreign legal incursions**
- **Target sovereign court independence under globalist legal standards**
- **Use AI as cover to embed unlawful governance technology in courts**

This judicial weaponization scheme parallels the strategy advanced by Alison Nathan, Adam Urbanski, and Boyden Gray — all of whom appear in other related complaints and exhibits involving ritualized obstruction, subversion, and institutional seizure of American legal systems.

- **Congressional Oversight Request**
- **International Criminal Conspiracy Complaints**
- **Whistleblower Submissions to U.S. DOJ and State Department**

Haiti Displacement, Human Trafficking & Rapporteur Conflict of Interest

Since Margaret Satterthwaite assumed her role as UN Special Rapporteur, official data shows a dramatic increase in child trafficking, gang-linked violence, and man-made disasters in Haiti — with over 578,000 displaced in 2024, including 180,000 children. These patterns mirror longstanding concerns about legal scholar fronts being used to shield humanitarian trafficking, disaster profiteering, and judicial sabotage operations. Petitioner alleges that these outcomes reflect intentional destabilization and systemic abuse disguised as legal reform — enabled in part by Satterthwaite's affiliations with judicial actors like Judge Alison Nathan and institutional platforms at NYU and the United Nations.

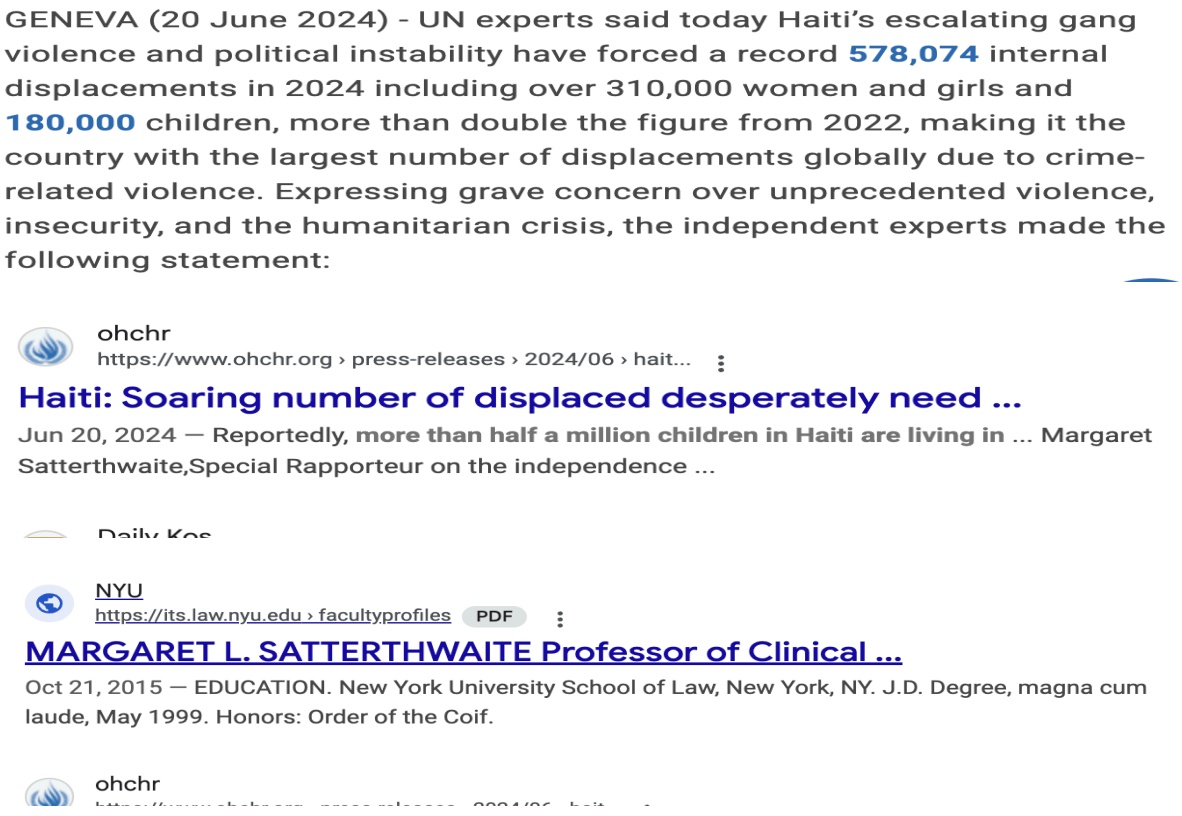
- **UN OHCHR Report – June 2024**
- **Haiti Now Child Protection Report**



GENEVA (20 June 2024) - UN experts said today Haiti's escalating gang violence and political instability have forced a record 578,074 internal displacements in 2024 including over 310,000 women and girls and 180,000 children, more than double the figure from 2022, making it the country with the largest number of displacements globally due to crime-related violence. Expressing grave concern over unprecedented violence, insecurity, and the humanitarian crisis, the independent experts made the following statement:

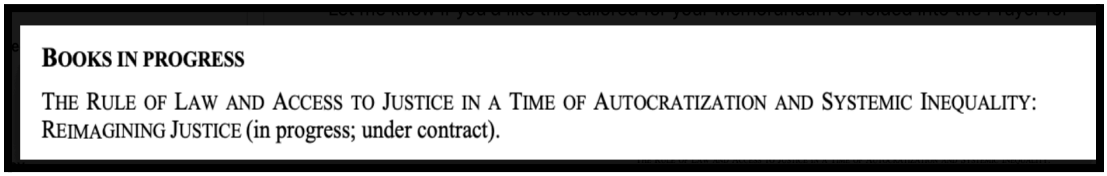
SYSTEMIC INEQUALITY: REIMAGINING JUSTICE"
IDEOLOGICAL INFLUENCE: BOOK PROJECT BY JUDGE ALISON NATHAN'S SPOUSE, MARGARET SATTERTHWAITE

The following publication, authored by Margaret L. Satterthwaite (Judge Alison Nathan's spouse), is titled:

"The Rule of Law and Access to Justice in a Time of Autocratization and Systemic Inequality: Reimagining Justice"
(*In progress; under contract*)



BOOKS IN PROGRESS

THE RULE OF LAW AND ACCESS TO JUSTICE IN A TIME OF AUTOCRATIZATION AND SYSTEMIC INEQUALITY: REIMAGINING JUSTICE (in progress; under contract).

This exhibit is submitted to demonstrate documented ideological bias and judicial activism origins, linking key actors within the judiciary to scholarship that reinterprets foundational legal doctrines. Petitioner alleges that such academic fronts have been used to justify unconstitutional court assignments, systemic obstruction of rights, and covert global legal targeting of civilians under the guise of "justice reform."

NEW YORK — Former President Donald Trump's effort to keep key evidence out of his civil rape trial next month was rejected by a federal judge Monday.

Judge Lewis A. Kaplan in Manhattan ruled that key witnesses will be allowed to testify and misogynistic remarks Trump made about women in 2005 when he apparently didn't realize he was being recorded can be played for a jury that will hear quarter-century-old rape allegations made by a former magazine columnist.

SUPPLEMENTAL EDUCATION MEMORANDUM OF LAW

Strategic Criminal Definitions, Reversed Law Structures, and Legal Grounds for Federal Investigation and Prosecution

Submitted by: Miriam Snyder
In Support of the Criminal Complaint Against Adam Urbanski, Alison Nathan, the NYSTRS Respondents and AFCU Respondents

---

I. PURPOSE

This memorandum defines the legal, psychological, and structural language used throughout Petitioner's filings. Each term reflects federal and New York State criminal law and is directly tied to Adam Urbanski, ECMC, NELNET, the NYSTRS and AFCU Respondents' refusal to follow mandated legal obligations and their repeated, intentional use of law in a manner contrary to its purpose, to steal from petitioner, causing severe financial destabilization, unwarranted financial servitude, obstruction of justice, and criminal non-consensual participation in trafficking schemes.

II. CRIMINAL DEFINITIONS AND APPLICATION TO RESPONDENTS' CONDUCT (Alphabetical Order)

🔷 1. Anarchy *(NY Penal Law § 240.00)*

Definition: Acts that disrupt public order and undermine the authority of law, creating chaos or a breakdown of civil processes.
Application: Respondents disordered the lawful pension system by ignoring federal regulations, blocking account changes, and protecting fraudulent disbursements.

🔷 2. COINTELPRO (Counterintelligence Program)

Definition: A U.S. government operation that used psychological warfare, false prosecution, and financial sabotage to destroy targeted individuals.
Application: Respondents mimicked COINTELPRO strategies by targeting Petitioner's access to systems, documents, and survival income while aiding and abetting AFCU bank fraud complaints.

🔷 3. Criminal Anarchy *(NY Penal Law § 240.15)*

Definition: Advocacy or engagement in the illegal overthrow of government through systemic disruption.
Application: By enabling fraud and dismantling access to lawful benefits, Respondents acted to dissolve lawful pension governance and public trust.

🔷 4. Criminal Dereliction of Duty *(18 U.S.C. § 242)*

Definition: Willful refusal by public officials to perform required legal duties.
Application: Respondents refused to enforce EFTA, ignored fraud reports, and allowed criminal disbursements, violating their duty under federal law.

🔷 5. Delusion of Law

Definition: Invented or symbolic procedures masquerading as law but not grounded in actual legal authority.
Application: Respondents fabricated false "account reviews" and delay mechanisms not found in ERISA or EFTA.

🔷 6. Democide *(International Definition)*

Definition: Death or suffering caused by governments through intentional policy-based harm.
Application: Respondents' refusal to disburse earned pension funds via the criminal enjoinment of several banks and government entities, inflicted targeted deprivation amounting to economic democide.

🔷 7. Domestic Mixed War

Definition: A strategy of internal warfare waged against the citizenry through lawfare, sabotage, and deprivation.
Application: Petitioner was financially and emotionally attacked using systems designed to serve her — weaponized into tools of war.

🔷 8. False Phenomenon of Being Above the Law

Definition: Criminal delusion in which actors believe they are exempt from accountability.
Application: Respondents' consistent refusal to comply with federal statutes reflects belief in their untouchability.

🔷 9. Genocide *(18 U.S.C. § 1091)*

Definition: Acts intended to destroy, in whole or part, a people by causing serious harm or conditions that lead to their destruction.
Application: Respondents, known satanists, knowingly created lethal financial conditions to harm vulnerable populations of people, aligning with systemic targeting tactics, because of the people's Christian religion and in this matter, coupled with race.

🔷 10. Graft *(18 U.S.C. § 1954)*

Definition: Bribery or unlawful influence involving decisions over benefit plans.
Application: Respondents allowed continued fraud and theft while suppressing intervention, suggesting improper influence or suppression incentives.

🔷 11. Human Trafficking via Financial Targeting *(18 U.S.C. §§ 1581–1595; 22 U.S.C. § 7102)*

Definition: Coercion into trafficking through debt, deprivation, or legal abuse.
Application: Respondents financially destabilized Petitioner, denied relief, and created coercive conditions by obstructing her rightful funds.

🔷 12. Judicial Conspiracy Against Rights *(18 U.S.C. §§ 241, 242, 2384–2385)*

Definition: Coordinated actions by officials to suppress or eliminate constitutional rights.
Application: Respondents collaborated to silence and disable Petitioner's rights under color of law and federal benefit systems.

🔷 13. Judicial Weaponization *(18 U.S.C. § 242)*

Definition: Misuse of courts or administrative law to suppress or harm a protected person.
Application: Respondents used denial of access, invented delays, and institutional silence to inflict spiritual and legal harm.

🔷 14. Legal Abuse as a Tool of Trafficking *(22 U.S.C. § 7102)*

Definition: Abuse of legal process to coerce or entrap victims.
Application: Respondents turned legal rights into barriers, deliberately misusing EFTA and benefit laws to enforce silence and loss.

🔷 15. Legal Front Scholars

Definition: Academics or advisors who reinterpret laws to justify harm under reform rhetoric.
Application: Respondents enacted procedures mirroring such ideologies, using "review" or "reform" language to mask criminal suppression.

🔷 16. Malfeasance in Office *(Common Law, 18 U.S.C. § 242)*

Definition: Intentional wrongdoing by a public official while performing their duties.
Application: Respondents willfully denied protections, enabled known fraud, and blocked rightful claims, constituting systemic abuse of office.

🔷 17. Obstruction of Law *(18 U.S.C. § 1512)*

Definition: Blocking or interfering with legal process or redress.
Application: Respondents delayed, denied, and erased legitimate complaints and fraud alerts to cover ongoing criminal activity.

🔷 18. Occultism in Government Systems

Definition: Ritualistic or spiritualized harm hidden within policy procedures.
Application: Respondents repeated criminal denials and cycles of suppression that invoked psychological ritual abuse and trauma programming.

🔷 19. Plausible Deniability *(Operational Doctrine)*

Definition: Structuring harm so no single actor appears responsible.
Application: Respondents used invisible signature documents, false departments, impersonations, lack of signatures, and communication blackouts to deny accountability while enacting ongoing theft.

🔷 20. Public Corruption *(18 U.S.C. §§ 201, 666)*

Definition: Use of public office to commit or conceal organized harm.
Application: Respondents cooperated with private fraud actors and denied legal obligations, betraying their public roles for private coverups.

🔷 21. Religious Extremism in Government *(18 U.S.C. § 2331)*

Definition: Using ideological doctrine to justify suppression or policy-based harm.
Application: Respondents' targeting mirrored spiritual punishment systems and reflected ideological disdain for Petitioner's beliefs.

🔷 22. Reversed Law

Definition: Using protective law in a destructive, inverted way.
Application: Respondents took EFTA and ERISA protections and reversed them into delay, silence, and theft — perverting law into punishment.

🔷 23. Subversive Group with Intent to Overthrow *(18 U.S.C. §§ 2384–2385)*

Definition: An internal organized effort to dismantle constitutional order through systemic abuse.
Application: Respondents' patterns of erasure, theft, and deception constitute a modern form of ideological subversion using financial warfare.

🔷 24. Treason *(18 U.S.C. § 2381)*

Definition: Aiding enemies of the Constitution by undermining its protections and values.
Application: Respondents refused to follow federal law, concealed state-enabled theft, and gave cover to domestic enemies of justice.

🔷 **25. Vicarious Trauma**

Definition: Psychological harm from chronic exposure to others' or one's own injustice.
Application: Respondents inflicted repeated violations, re-opened trauma cycles, and weaponized silence to spiritually and emotionally injure Petitioner.

III. FINAL DECLARATION

Adam Urbanski, the NYSTRS and AFCU Respondents have not acted in error, they have acted with criminal intent, in knowing violation of their legal duties, and within a structure designed to facilitate fraud, human targeting, and economic destruction.

These terms reflect not speculation, but a systematic and prosecutable pattern of:

- **Criminal violations of federal fiduciary duty**
- **Deliberate reversal of law and obstruction of rights**
- **Psychological, financial, and legal warfare against a documented whistleblower**

This is not mismanagement — it is lawlessness.
This is not delay — it is trafficking.
This is not policy — it is organized abuse under color of law.
This is democide, conspiracy, and treason disguised as administration.

Petitioner seeks immediate federal investigation, prosecution under cited statutes, restitution of stolen pension funds, and full public exposure of the occultic financial trafficking infrastructure hidden within public systems. Thank you.

Regional Killers Adam Urbanski, Kathy Hochul, Elon Musk and their religious extremism induce man-made disaster agenda for meeting their satanic killing quota for their wealth and power satanic oath

MAN MADE DISASTERS: A HISTORICAL REVIEW OF TERRORISM AND IMPLICATIONS FOR THE FUTURE

Catherine Wilson Cox, RN, PhD, CCRN, CEN, CCNS

Recent terrorist events have brought combat trauma care (e.g., different spectrum of injuries occurring in austere environments, dealing with mass casualties, and inherent treatment delays) to the civilian community. Consideration of the historical perspective of these manmade disasters can teach valuable lessons in future response. The purpose of this article is to help readers "put it all together" by providing a brief history of terrorist events pre- and post- 2000 that have contributed to the current state of affairs, and an overview of tactics used by terrorists, such as suicide bombings and weapons of mass destruction. Suggestions are offered related to pre- and post- disaster planning, including the status of specific nursing competencies and evidence-based practices.

Key words: blast injuries; bombings; chemical, biological, and radiological (CBR) agents; disaster management; manmade disasters; terrorism; trauma nursing; weapons of mass destruction (WMD)

There are many definitions of terrorism, but the one developed by Cunningham (2003) is one of the most useful because it is not too simple, broad, or complex:

Terrorism is defined as the illegitimate use or threat of violence to further political objectives. It is illegitimate in that it targets civilians and/or non-combatants and it is perpetrated by clandestine agents of state and non-state actors in contravention of the laws of war and criminal statutes.

It is symbolic and premeditated violence whose purpose is to communicate a message to a wider population than the immediate victims of violence. It is designed to affect this audience by creating psychological states of fear in order to influence decision-makers to change policies, practices or systems that are related to the perpetrators' political objectives.
These objectives can be either systemic or sub-systemic and may be motivated by complex social forces including, but not limited to, ideology, ethno-nationalism or religious extremism (p. 23).

As reflected in its definition, terrorism lacks legitimacy because the means do not justify the ends. While many terrorists think of themselves as soldiers, their tactics lack the conventions of traditional warfare in that terrorists perform criminal acts such as kidnapping and murder, including the deliberate killing of non-combatants (Moore, 2003).

As reflected in its definition, terrorism lacks legitimacy because the means do not justify the ends. Terrorism threatens the public with widespread death and disease, fear, panic, and disruption to society – both psychologically and economically (Richards, Burstein,Waeckerle, & Hutson, 1999).

Meet Adam Urbanski, President of the Rochester Teachers Association and Vice President of the AFT, operates not merely as a labor figure, but as a regional assassin programmer embedded within the educational and public union infrastructure. Urbanski has orchestrated the removal of individuals from critical financial and governmental positions, replacing them with ideological actors and actresses, such as Kathy Hochul, alleged Judge Lewis Kaplan, and Judge Alison Nathan, each functioning as installed agents for occultic control, assassination programming and judicial weaponization.

These satanic killing cult members use economic credentialing systems to legitimize their murder-by-proxy actors and actresses, embedding them within public institutions to carry out targeted extermination programs under the guise of governance.

Petitioner urges investigators and readers to examine the multifaceted economic credentialing crimes that have been deliberately engineered to enable the assassination of Americans, all to fulfill ritualized killing quotas for temporary satanic wealth and power gains.

THIS REPORT WILL BE FURTHER PUT TOGETHER AFTER I FINISH THE MANY OTHER CRIMINAL FINANCIAL ASSASSINATIONS INFLICTED ON ME.

EXHIBIT 30C, PAGE 3

The below exhibit shows that Elon Musk is ushering in satanic killing programs targeting seniors on behalf of Boyden Gray's legacy and master plan. Elon Musk, as a starch assassin and satanist who sacrificed his first child and became a billionaire thereafter, remains loyal to satanic killing requirements as a means of preserving unearned wealth. His known association with Boyden Gray is evident in his obsessions with Neuralink and Social Security. Musk's public fixation on "revamping" senior citizens' financial access under the guise of fraud prevention and "ghost-chasing" directly contradicts the true underlying scheme. The exhibit below demonstrates that regional assassin Boyden Gray previously weaponized economic credentialing, using unauthenticated, internet-created judges (invisible "photo judges") acting fraudulently on behalf of the Commissioner of Social Security to implement premeditated appeals fraud. Consequently, Elon Musk's obsession with the SSA appears to be an extension of Boyden Gray's premeditated judicial weaponization program , a coordinated assault on vulnerable populations (seniors and disabled citizens) via creating induced fraud conditions to unconstitutionally seize, with no affidavit, targeted seniors money, by fake judicial actors issuing abuse of process rulings. These judicial conspiracy against rights tactics were also deployed against President Trump and human rights attorney Steven Donziger, as shown in the referenced cases. This exhibit exemplifies spellcasting in legal disguise — the intentional publication of premeditated, organized fraud, meant to destabilize, rob, and assassinate the financial lifelines of America's most vulnerable. These orchestrated frauds represent:

- **Targeted income assassination**
- **Satanic spiritual warfare via legal instruments**
- **Weaponized public trust through courts hijacked for mass harm**

Please review below:
Boyden Gray's economic credentialing, treason-themed "Betray the Constitution" advertising, and SSA Commissioner collusion, all culminating in this judicial fraud schema. Also see image of alleged judge Lewis Kaplan , a phantom judicial actor used to execute this scheme available here:

LUCIFERIAN HIJACKING, CRIMINAL USURPATIONS, AND INFILTRATIONS IN SCIENCE AND LAW
LUCIFERIN BIOLUMINESCENCE – CRIMINAL USE OF BIOMEDICAL TOOLS IN LUCIFERIAN-NAMED RESEARCH AND DISEASE MANIPULATION PROGRAMS

The below exhibit exposes the criminal and satanic misuse of scientific technologies by Regional Killer Adam Urbanski, and his satanic cult members, involving Luciferin, a compound named after "Lucifer," used in bioluminescent research to track and manipulate cellular behavior. This compound, named with deliberate spiritual antagonism, has been criminally exploited to facilitate:

- **Forced hospitalization**
- **Living autopsies (labeled dead while alive)**
- **Human trafficking through medical kidnapping**
- **Funeral home body broker cremation fronts**
- **Satanic ritual abuse and necrophilic sacrifice networks**

This "research" gives satanists and criminal medical actors easy access to tools that can stunt or accelerate disease under the cover of biomedicine — bypassing ethics, spiritual law, and constitutional protections.

The following federal crimes are implicated:

- **18 USC § 1117 – Conspiracy to commit murder**
- **10 USC § 333 – Unlawful interference with state and federal authority**
- **18 USC § 371 – Conspiracy to defraud the United States**
- **18 USC § 241 – Conspiracy against the rights of sovereign, God-created beings**
- **18 USC § 242 – Deprivation of rights under color of law**
- **Unlawful use of chemical, biological, and infectious agents as weapons (including non-validated injections, biologics, and mass experimentation)**

This exhibit reflects the hijacking of science, just like the hijacking of the judiciary systems through Luciferian nomenclature, spiritual inversion, spellcasting, and biowarfare disguised as research.

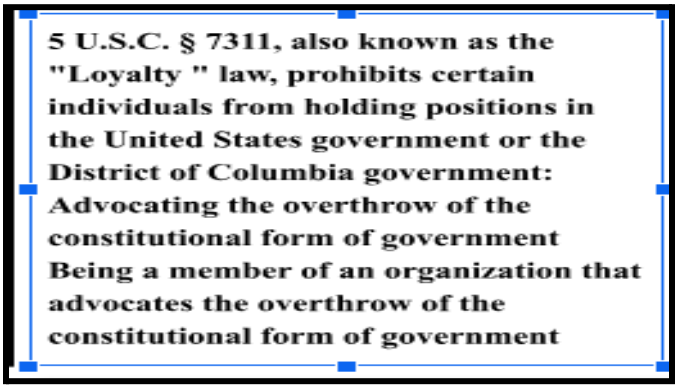
EXHIBIT 34B

TREASON BY OATH VIOLATION: LUCIFERIAN BIOTECH AND THE SUBVERSION OF CONSTITUTIONAL LOYALTY UNDER 5 U.S.C. § 7311



5 U.S.C. § 7311, also known as the "Loyalty " law, prohibits certain individuals from holding positions in the United States government or the District of Columbia government:
Advocating the overthrow of the constitutional form of government
Being a member of an organization that advocates the overthrow of the constitutional form of government

The use of *"Luciferin"* as a foundational compound in U.S. government-sanctioned biomedical research reflects not merely scientific experimentation, but a public declaration of allegiance to Lucifer by those seizing control of the judiciary, scientific institutions, and public health sectors. This violates the spiritual and constitutional oath of office required under 5 U.S.C. § 7311, also known as the Loyalty Law.

> ***5 U.S.C. § 7311 prohibits individuals from holding positions in the United States government or the District of Columbia government if they advocate the overthrow of the constitutional form of government, or belong to any organization that does so.***

This Luciferian naming and agenda:

- 👄 **Overthrows divine law and God's natural order by injecting occult symbolism into medical and scientific authority**
- ⚖️ **Undermines the Constitution, which is spiritually and legally rooted in natural rights endowed by our Creator**
- 🧬 **Perverts science into a tool of biowarfare, ritual sacrifice, and technocratic domination — under the false veil of innovation**
- 📢 **Declares open rebellion against God's law and constitutional order, aligning instead with the principles of spiritual darkness**

> **The use of Luciferian names, objects, curses, symbols, and/or spell-castings in scientific, medical, or legal systems epitomizes the criminal use of government for loyalty to Lucifer — and not the United States Constitution.**

Officials, judges, scientists, and agencies complicit in these actions have, by conduct and confession, forsaken the oath of office, and rendered themselves disqualified under 5 U.S.C. § 7311 and spiritually disbarred from public trust.

EXHIBIT 38

THE BELOW EXHIBIT TITLED ACCESS DENIED IS A RACIAL ASSASSINATION FRONT THAT IS PART OF REGIONAL KILLERS ELON MUSK AND ADAM URBANSKI'S CURRENT SATANIC ASSASSINATION AGENDA COUPLED WITH THE SOCIAL SECURITY HIJACKING FOR BETRAY THE CONSTITUTION PROGRAMMING FOR MURDER, TARGETING VULNERABLE POPULATION SENIORS AGAIN, LIKE COVID.

THE BELOW DOCUMENTED CRIMINAL, RACIST, FINANCIAL AND CREDIT DESTRUCTION SYSTEM AND THE HIJACKED SSA, ARE ALL COMPONENTS OF THE SATANIC KILLING CULT'S PROGRAMMING. EACH ENTITY USES ABUSE OF PROCESS, LEGAL PERVERSIONS, DEMOCIDE TO ADMINISTER VIOLATIONS OF THE TRAFFICKING PROTECTION ACT 22 USC 7102, THE CRIMES ARE INFLICTED AS PRECURSORS FOR INDUCED HOSPITALIZATION FOR HUMAN TRAFFICKING. ALSO, FRAUD PREVENTION IS USED AS AN EXCUSE FOR FINANCIAL SERVITUDE AND HARASSMENT, WHILE THEY STEAL MONEY. SEE AN EXAMPLE OF THIS ACCESS DENIED, THAT WAS IN PLACE AND PREPARED UNDER BIDEN, BEFORE PRESIDENT TRUMP. REGIONAL KILLERS ELON MUSK AND ADAM URBANSKI, ENFORCE THE BELOW RACIST PROGRAM UNDER PRESIDENT TRUMP WITH NO HELP TO THE PEOPLE, THUS SETTING PRESIDENT TRUMP UP. THE BELOW IS THE REASON REGIONAL KILLER ELON MUSK WANTS TO SHUT DOWN CONSUMER FINANCIAL PROTECTION COMPANIES, BECAUSE HE WANTS TO USURP CONSTITUTIONAL PROTECTIONS IN FINANCE AND CREDIT, TO MEET HIS SATANIC KILLING REQUIREMENTS. HE WANTS PEOPLE DEFRAUDED, WITH NO HELP, BANKS STEALING PEOPLE'S MONEY, GIFT CARDS STEALING PEOPLE'S MONEY, WITH NO STOPPAGE. HE WANTS PEOPLE WITH NO MONEY, SENIORS WITH NO SSA, VICTIMS OF ABUSE OF PROCESS, WITH NO CREDIT, AND NO FINANCIAL ASSOCIATIONS. THIS IS A REGIONAL KILLING PROGRAM WITH PERSONAL GREED AND CRIMINAL INSANE DEVELOPMENTS, DUE TO LACK OF ARREST, AS OF YET. EXHIBIT 39

OFAC MALICIOUS CREDIT ASSASSINATION TO FACILITATE CONSPIRACY TO MURDER CRIMES

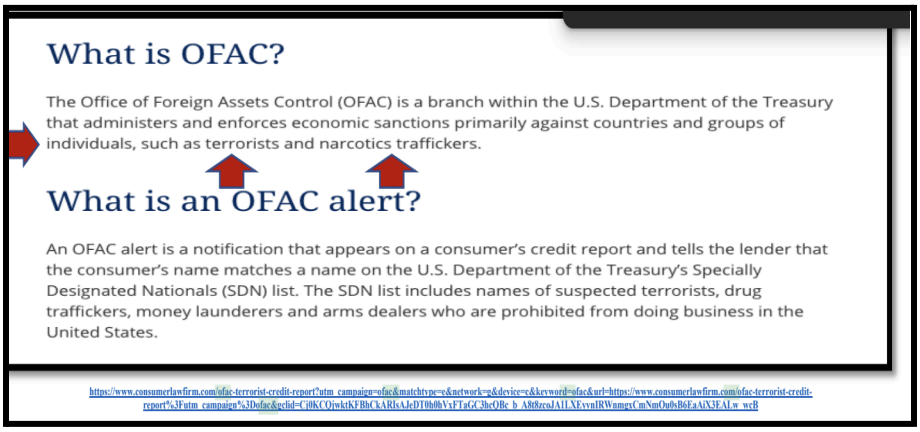
The below two exhibits illustrate the use of unlawful OFAC (Office of Foreign Assets Control) credit defamation, as part of the NYS-based Satanic cult's organized criminal enterprise, including economic sabotage, for induced hospitalization, medical trafficking, and premeditated assassination programming targeting sovereign U.S. civilians. This credit blacklisting is used as a weapon to:

- 🧬 **Facilitate forced institutionalization**
- ⚰️ **Label targets as deceased while alive**
- 👤 **Enable human trafficking pipelines**
- 🕯️ **And cover up ritual sacrifice programs, including cremation-based disappearance**

These actions are part of a coordinated democidal conspiracy involving regional killer Adam Urbanski, NYS-based cult actors, and compromised judicial + financial conspirators.

CRIMINAL VIOLATIONS EXEMPLIFIED IN THIS EXHIBIT INCLUDE:

- **18 U.S.C. § 1117 – Conspiracy to Commit Murder**
- **18 U.S.C. § 241 – Conspiracy Against Rights**
- **18 U.S.C. § 242 – Deprivation of Rights Under Color of Law**
- **18 U.S.C. § 1343 – Wire Fraud (use of OFAC alert to transmit false information to credit systems)**
- **18 U.S.C. § 1091 – Genocide, part of a murder plan to assassinate based on race and religion and the criminal use of banks to incite genocide provisions**
- **Democide (state-sponsored civilian extermination)**
- **Financial terrorism under the guise of Treasury enforcement**
- **Human trafficking under 18 U.S.C. §§ 1581–1595**
- **Medical fraud, identity assassination, and data falsification**



What is OFAC?
The Office of Foreign Assets Control (OFAC) is a branch within the U.S. Department of the Treasury that administers and enforces economic sanctions primarily against countries and groups of individuals, such as terrorists and narcotics traffickers.
What is an OFAC alert?
An OFAC alert is a notification that appears on a consumer's credit report and tells the lender that the consumer's name matches a name on the U.S. Department of the Treasury's Specially Designated Nationals (SDN) list. The SDN list includes names of suspected terrorists, drug traffickers, money launderers and arms dealers who are prohibited from doing business in the United States.

REGIONAL KILLERS KATHY HOCHUL AND ADAM URBANSKI PAID UNION OFFICIALS TO SILENCE HOCHUL'S DELUSION OF LAW STATUTORY TENURE OBSTRUCTION, TO EXTERMINATE THE SECURITY OF EXPERIENCED EDUCATORS, TO SILENCE PUBLIC CORRUPTION AND HARM TO CHILDREN FOR SATANISTS TO MEET THEIR CHILDREN SACRIFICE QUOTA. THEY DID THIS JUST LIKE LIKE THESE KILLERS BRIBED THE NYS HEALTHCARE WORKERS, REPARATIONS PUBLIC OFFICIALS, AND ROCHESTER CITY SCHOOL DISTRICT AUTHORITIES, TO SILENCE THEIR HUMAN TRAFFICKING AND HUMAN SACRIFICE KILLINGS. THEY HAVE CRIMINALLY PLEDGED THE LIVES OF NEW YORKERS AND CHILDREN, USING A CRIMINAL AND SATANIC MALEDICTION CALLED DEMOCIDE. RCSD STUDENTS ARE IN GREAT DANGER AND NOW NYS CHILDREN ARE IN GREAT DANGER.
